

Dr. A. Subramanyam is the Dean at "Annamacharya Institute of Technology and Sciences, Rajampet". He rose to the position of the Dean after serving the college for eighteen years in diverse positions, continuing in position as the SPOC of SIEMENS Technical Skill development Institute (TSDI) and the member Board of Studies of Computer Science & Engineering. He was Adhoc Principal & Head of the Department of Computer Science and Engineering before becoming Dean Administration.

He began his career as a Lecturer in Govt. Junior College in Nandalur. Later, he worked as a Lecturer in Polytechnic College in Kadapa. He joined AITS Rajampet as an Assistant Professor in the Department of Computer Science and Engineering in the year 2000. Consequently, he rose to the position of Professor in 2005 to become the Head of the Department of Computer Science and Engineering in 2008.

Born in Nandalur in 1968, Dr. Subramanyam completed his Bachelor of Engineering at University of Madras in the year 1989. He holds M. Tech. from Visweswaraiah Technological University, and Ph. D. from JNTU, Hyderabad. His research deals with Advanced Computing in Computer Science and Engineering.

Dr. Subramanyam is an avid researcher. He published 60+ research papers in International and National Journals and conferences. He received two Best paper Awards in an IEEE International conference and in a National conference. He guided five research scholars for their Doctoral Degrees. Currently, one candidate pursuing Post doctoral Fellowship of UGC and three scholars are pursuing their Ph.D. under his supervision. He has also continued his research activities in Advanced Computing. His research interests are Computer Networks, Data Mining, Network Security, IoT and Software Engineering. So far, he has published two text books in the field of Computer Science and Engineering.

Dr. Subramanyam was the Program Chair for the 15th IEEE International Conference on Advanced Computing Technologies (ICACT-2013), organized by AITS Rajampet. He was the Convener for AICTE Sponsored National Conferences HPCN-11 and HPCN-14. He was the Coordinator for APNET Project, funded by ISRO. He also received R&D grants from AICTE under MODROBS scheme for Modernization of Information Security Lab. He is the coordinator for the project- Technical Skill Development Institute(TSDI) worth of twenty crore rupees funded by Andhra Pradesh State Skill Development Corporation(APSSDC) and SIEMENS.

He was International Program Committee Member of World Congress on Information and Communication Technologies held at Mumbai in 2011. Apart from this, he chaired many sessions in International and National Conferences of good repute. He is also invited to many Workshops as the Resource Person. In addition, he is the Editorial Member of standard Journals. He also contributed to JNTUA, Anantapur, GPREC, Kurnool, as the BOS Member of CSE.

As a teacher, Dr. Subramanyam has taught a wide variety of courses viz., Computer Organization, Computer Networks, Advanced Computer Architecture, Information Security, Software Engineering, Software Project Management, Operating Systems, Software Testing, Theory of Computation, Mathematical Foundation of Computer Science, Simulation and Modelling, Microprocessors and Interfacing, Advanced Systems and Processor Design and C Programming.

Dr. Subramanyam is a Fellow of Institution of Engineers (India), Senior Member of IEEE, Member of CSI and IETE. At present, he is the Mentor of IEEE Student Chapter of AITS Rajampet and joint secretary IEEE Anantapur Zone. Previously, he acted as the Executive Committee Member of Computer Engineering Division of the Institution of Engineers (India) and now he is joint secretary of Institute of Engineers kadapa Local Center.
