CAMP OBJECTIVE

The objective of the camp is to create students of Engineering and Sciences courses about various facets of entrepreneurship as an alternative career option and also to highlight the merits of pursuing such an option. Moreover, this program also aims to bring together the experts from industries, government agencies working in the field of entrepreneurship and students of Science & Technology and Humanities in order to provide a forum for the free and fruitful exchange of ideas and information for becoming an entrepreneur. It will also explore the possible business opportunities and create all necessary awareness to start an SSI Unit as per government procedures.

NEED FOR ENTREPRENEURSHIP

The economy of many developing are in state of transition as they strive to shift from substance oriented and heavily regulated environment to an outward looking market driven economy. The transition can be greatly assisted by the emergence of the large number of small scale and rural enterprise in all spheres of economic activity, which in turn requires the development of entrepreneur skills.

ABOUT AITS

The Annamacharya Institute of Technology & Sciences (AITS) - Rajampet got off to a spectacular start in 1998 sponsored by Annamacharya Educational Trust (AET), Hyderabad. This institution enjoys continuous patronage from a team of philanthropists lead by Sri. C. Gangi Reddy. The institute is housed in a well - planned 32 acre campus. The institute is situated near Tallapaka, the birth place of Padakavitapitamaha of Telugu Literature, Saint Annamacharya. AITS offers industry-relevant programmes in various UG and PG courses such as Civil, EEE, Mechanical, ECE, CSE & IT (B.Tech) with intake as 180 per course and second shift with intake 60 per course for EEE, Mechanical, ECE & CSE, M. Tech. first shift in CAD/CAM, DECS, VLSI System Design, Embedded Systems, CSE, EPE, EPS, Structural Engineering & Machine Design are offered as a part of M.Tech in first shift. The branches offered in the same program in second shift includes CSE, DECS, EPE & Embedded Systems are offered in addition to MBA (first & second shift) and MCA. The institute is located on Chennai - Mumbai highway, 50 Km from Kadapa & 95 Km from Tirupati.

ABOUT NSTEDB, DST – NIMAT PROJECT

The National Science & Technology Entrepreneurship Development Board (NSTEDB), Dept. of Science & Technology, Govt. of India has appointed Entrepreneurship Development Institute of India (EDII) as its National Implementing & Monitoring Agency (NIMAT) for the following programmes:
