	Innovation Cell	<p>AITs Innovation & Incubation Center is a platform aims towards promoting the entrepreneurial spirit of start-up enthusiasts by providing a healthy ecosystem to promote their ideas, startups and researches into successful entrepreneurial ventures.</p> <p>Incubation is one of the four proposed stages of creativity, which are preparation, incubation, illumination, and verification; it is a process of unconscious recombination of thought elements that were stimulated through conscious work at one point in time, resulting in novel ideas at some later point in time. In our considered view, innovation and incubation hold the key to sustenance of all entrepreneurial efforts- be it within educational systems or elsewhere. We fervently wish to link innovation and incubation to bring about positive changes in efficiency, productivity, quality, competitiveness as our students, faculty and other stakeholders seek to transform ideas into products or services.</p>

	<p>Roles & Responsibilities</p> <p>The role of our innovation team is to conceive, champion, and carefully develop a new approach that is yet to be tried elsewhere. The team's composition and dynamics reflect our focus on bring on board professionals with diverse skill set and academic orientation. Every individual is expected to exhibit balance in team-role preferences. Each member is expected to explore inter-disciplinary work groups and scenarios. It is expected that a good mix of individuals with varied preferences will do much to ensure a well-composed team that is able to perform at a high level through all the different stages of process. Hence, we look forward to maintain best standards of professional communication and team work to achieve success in the innovation process.</p> <p>Ideation</p> <p>Ideation is regarded as the creative process that generates, develops and communicates novel ideas, which is understood to be a basic element of thought, visual, concrete, or abstract. Through this platform, we seek to empower all stakeholders to discover ideas in a way similar to the discovery of the real world, from personal experiences. Through the process of ideation, we seek seamless exchange of ideas, and exciting as well as more productive collaboration among students, faculty and prospective entrepreneurs and connect them to real time business mentors and facilitators.</p>
Research & Development Cell	<p>Since its inception , Annamacharya Institute of Technology and Sciences (AITS) Rajampet has been striving to develop itself into an institution of excellence in education and research in consonance with the contemporary and future needs of the society through meaningful education, research and leadership in technological innovation for the industrial growth of the country. With the path-breaking innovations in both its curriculum and research, the institute is rapidly gaining a good reputation among the institutions in Rayalaseema region of Andhra Pradesh. The research philosophy has progressed from inter-department collaboration, to inter – institutional partnerships at national and international levels. The scope and scale of research has substantially evolved from the era of student project dissertations at UG and PG level, Ph.D. theses of research scholars and to funded projects.</p>
<p>List of facilities available</p> <ul style="list-style-type: none"> • Games and Sports Facilities 	<p>Special sports grounds are available for playing Basketball, volleyball, football, cricket, judo and Tennicoit. PART 4: GOVERNANCE OF THE INSTITUTION

Statutory bodies

The following committees ensure proper governance at various levels including academic, financial and general administrative affairs. The following are the statutory bodies constituted as per the guidelines of UGC:

1. Governing Body
2. Academic Council
3. Board of Studies
4. Finance Committee

4.1: Governing Body

The Governing Body (GB) is the highest body that monitors the progress of the Institute and suggests activities for the growth and overall development of the institution. It also aims at giving desired shape to the institution to meet the highest standards in the field of technical education.

The GB of the Institute has been constituted as per the University Grants Commission (UGC), New Delhi, India, guidelines for autonomous colleges during the twelfth plan period (2012-2017) (Revised UGC guidelines on 13.04.2016)

The main objective of the GB is to offer transparent and effective governance in building and developing the institution, taking the confidence of stakeholders.

Annamacharya Educational Trust (AET), the sponsoring academy of the institute, in one of its executive meetings resolved to have an eminent educationist as the chairman of the GB, even though the UGC empowers the Honorary Secretary of the trust as the chairman of GB. The AET felt that under the stewardship of an eminent personality with highly focused and concerted ideas in the field of education can definitely build the institution for the future. As per the UGC guidelines, five members of the Governing Body of AET will represent on the GB.

A. THE PRIMARY ACCOUNTABILITIES

The Governing Body of an institution is collectively responsible for overseeing the institution's activities, determining its future direction, and fostering an environment in which the institutional mission is achieved.

A1. To approve the mission and strategic vision of the institution

The prime duty of the GB is to develop and implement the mission, vision, quality policy, and strategic plan of the institution. It has to review its short term and long term goals and, if necessary, make changes in the priority as time passes. It should suggest to the institute to achieve quality both in internal and external parameters like teaching-learning process, good academic and administrative practices, bench marking, risk management including financial, physical, staff so as to meet the interests of stakeholders viz., students, parents, alumni, employers, local communities, government and others representing public interest.

The GB should be supported by various other committees in aspects like revision of curriculum, operational planning of strategic issues to meet the vision and mission in true sense. The Institutional Development Committee ensures the implementation of the GB suggestions. The strategic plan may be reviewed once in a while.

A2. To ensure the establishment and monitoring of proper, effective and efficient systems of control and accountability

The **Governing Body** shall ensure the preparation of annual budgets and review the audit and performance reports for the smooth functioning of the institution.

- Submit to the AFRC/State Government the expenditure report for the fixation of the fees and other charges payable by the students who seek admission into the college, on the recommendations of the Finance Committee
- Institute scholarships, fellowships, studentships, medals, and prizes and certificates on the recommendations of the Academic Council
- Follow proper procurement guidelines and ensure appropriate spending for the right cause
- The associated risks shall also be reviewed from time to time and advise suitable remedial measures to have sustainability

A3. To monitor institutional performance and quality assurance arrangements

The **Governing Body** shall advise the institute from time to time in respect of the following:

- Timely submission of documents for accreditation
- Ensuring that the statutory requirements are met in respect of accreditation for the purpose of maintaining quality of education
- Benchmarking to be taken up as a tool for performance monitoring to ensure credibility in the society for the institution
- Carrying out gap analysis and Identifying the areas for improvement.

A4. To put in place suitable arrangements for monitoring the performance of managerial and administrative positions

Members of Governing Body shall ensure that

- the Head of the institution implements the decisions of GB in true spirit for the growth of the institution using the process of decentralization
- the Head of the institution shall plan the future growth of the institution
- the required documentation is maintained to meet the statutory requirements that processes to evaluate the performance of Head of institution.

B. Openness and transparency in the operation of Governing Body

In order to maintain high ethical standards, transparency and openness are to be ensured in the working of the institution by the GB.

B1. To promote transparency and openness at every level

- All the minutes of meetings of various committees should be accessible to the important stake holders
- Preparing annual reports showing the activities in an academic year and placing the report on the website
- Conducting proceedings of governing body as lucid as possible (and permissible by statutes), including the review of those of the governing body and any reports on the outcomes of such reviews
- Detailing student admission information to ensure public trust in the integrity of the processes used regarding the selection and admission of students using clear and transparent criteria, procedures and processes
- Ensuring that vacancies are widely publicized both within and outside the institution

B2. To maintain register of interests

All members of GB shall give a declaration of interests, if any in the working of the institute. The register of interests should be collected and made available to the stakeholders and keep them updated whenever necessary.

C. KEY ATTRIBUTES OF GOVERNING BODY

The GB has been constituted in accordance with the guidelines of the UGC for autonomous Institutions. As per the guidelines, as and when required, additional members may be co-opted into the GB to carry out primary responsibilities for duration of two years.

The Chair of the Governing Body is responsible for the leadership of the governing body and is, therefore, ultimately accountable for its effectiveness. The Chair ensures the institution well connected with its stakeholders. SC/ST Book Bank Cell.

Introduction:

The programme was launched by the State Government and the UGC for the benefit of SC/ST students. In our college SC/ST book bank cell has been established in the year 2000 with a small collection to co-ordinate with Social Welfare Department, Kadapa. Now we have 4892 volumes in SC Book Bank, 376 volumes in ST Book Bank of various Titles.

Objectives:

- 1) To set up a book bank exclusively for SC/ST students.
- 2) To cater the book needs of SC/ST students.
- 3) To enhance the value additions year by year to improve the strength of the SC/ST book bank.
- 4) To operate SC/ST book bank perpetually.

Functions:

- Maintaining Accession Registers separate for SC/ST book bank books.
- Maintaining Log registers for book issue and returning purpose.
- Request letters are submitted to The Social Welfare Department, Kadapa, frequently to supply the books for SC/ST students.
- Books will be strictly distributed among the SC/ST students only on every Saturday.
- Each student of this category will be issued 2 to 4 books for entire semester.
- The books should be returned to the book bank at the end of each semester.
- In case of loss/damage to the book, the student will have to bear the cost of the book.

Experience: Working as Principal since May, 2009.

Twenty One years of field and Four years research experience.

Field : Planning, design and construction of Bus Station Complexes, Bus Depot Complexes and road works. A.A & Q.C of works, preparation of budgets, progress reports, tenders, scrutiny of B.O.Q. preparation of D.O.T. Projects. Coordination of field staff and contractors. Estimation of the durability of structures, repairs and rehabilitation of distressed structures using advanced techniques and chemicals. Preparation of replies for Audit and Arbitration queries.

Details of Projects Executed :

Ñ **Project:** Construction of Bus Station Building at Bathalapalle : Anantapur District.

Year : 1988-89

Description in Nutshell ; The Bus Station building is constructed in an area of 2.0 Ac. The plinth area of building is about 3000 Sq.ft. The WBM yard and roads cover an area of 20,000 Sq.ft. Passenger amenities like water supply and sanitary arrangements and seating provided.

Ñ **Project :** Construction of Bus Depot Building at Rayadurg, Anantapur District.

Year : 1989-90

Brief Description of Project : The Industrial building is constructed in an area of 5.0 A.C. The Bus Depot consist of 75*135 size garage with M.S. Tubular trusses supported for steel stanchions, building having annexure rooms of size 25*165, washing platform of size 30*45 for Washing of Vehicles, Security, Oil Room, Toilets, Tin-smithy and Black Smithy sheds. The garage flooring is provided with cement concrete. The yard covers an area of 70,000 Sq.ft. with WBM.

Ñ **Project :** Construction of Bus Station Building at Puttaparthi, Anantapur District.

Year :1990-91

Description of Project: The Bus Station Building is constructed in an area of 1.20 Ac. The plinth area of building is about 5000 Sq.ft. The WBM yard covers 18,000 Sq.ft. Passenger amenities like water supply, sanitary and seating are provided.

Ñ **Project :** Construction of Depot Manager Office at Gooty, Anantapur District.

Year ; 1992-93

Description of Project : The Building is constructed in First Floor over the existing annexure rooms of Bus Depot. The Floor area of building is 3250 Sq.ft.

Ñ **Project:** First Referral Hospital at Nizamabad (upto basement)

Year 1999-2000

Description of Project: The Hospital complex has main building of size 100 m x 50 m quarters and other annexure buildings having about 10,000 Sq.m. plinth area.

Description of duties: (For all the projects.). Responsible for execution of the project strictly adhering to specifications and contract agreement conditions, ensuring quality of materials and workmanship and stipulations of drawings. Recording of measurements in M.Books, maintaining accounts for the inflow, consumption and outflow of materials at site. Certification of bills for payment.

Library Automation

The library has thought of its computerization in the year 2007. from 2007 to 2009 the library has undergone several experiences with automation. However, it has tried its level best to give proper shapes to the program of computerization with the support of Inspiro Plus(PALPAP Ichinchi Software Pvt. Ltd, Chennai.)

The library is a collection of books and other materials for reading. Consultation study, and research and organized to provide access to a specific clientele, with staff trained to provide service to meet the needs of its users.

Library in general has complex entities, having large collection and serving a huge clientele. To carry out various operations in library effectively there is a need for automation. Computer and communication Technologies have brought revolutionary changes in the information retrieval, processing, storage and dissemination. Library Automation not only includes computerizing the manual activities but also provides necessary hardware support for the better and faster functioning.

PART 3: ORGANIZATIONAL STRUCTURE

PART 4: GOVERNANCE OF THE INSTITUTION

Statutory bodies

The following committees ensure proper governance at various levels including academic, financial and general administrative affairs. The following are the statutory bodies constituted as per the guidelines of UGC:

1. Governing Body
2. Academic Council
3. Board of Studies
4. Finance Committee

4.1: Governing Body

The Governing Body (GB) is the highest body that monitors the progress of the Institute and suggests activities for the growth and overall development of the institution. It also aims at giving desired shape to the institution to meet the highest standards in the field of technical education.

The GB of the Institute has been constituted as per the University Grants Commission (UGC), New Delhi, India, guidelines for autonomous colleges during the twelfth plan period (2012-2017) (Revised UGC guidelines on 13.04.2016)

The main objective of the GB is to offer transparent and effective governance in building and developing the institution, taking the confidence of stakeholders.

Annamacharya Educational Trust (AET), the sponsoring academy of the institute, in one of its executive meetings resolved to have an eminent educationist as the chairman of the GB, even though the UGC empowers the Honorary Secretary of the trust as the chairman of GB. The AET felt that under the stewardship of an eminent personality with highly focused and concerted ideas in the field of education can definitely build the institution for the future. As per the UGC guidelines, five members of the Governing Body of AET will represent on the GB.

A. THE PRIMARY ACCOUNTABILITIES

The Governing Body of an institution is collectively responsible for overseeing the institution's activities, determining its future direction, and fostering an environment in which the institutional mission is achieved.

A1. To approve the mission and strategic vision of the institution

The prime duty of the GB is to develop and implement the mission, vision, quality policy, and strategic plan of the institution. It has to review its short term and long term goals and, if necessary, make changes in the priority as time passes. It should suggest to the institute to achieve quality both in internal and external parameters like teaching-learning process, good academic and administrative practices, bench marking, risk management including financial, physical, staff so as to meet the interests of stakeholders viz., students, parents, alumni, employers, local communities, government and others representing public interest.

The GB should be supported by various other committees in aspects like revision of curriculum, operational planning of strategic issues to meet the vision and mission in true sense. The Institutional Development Committee ensures the implementation of the GB suggestions. The strategic plan may be reviewed once in a while.

A2. To ensure the establishment and monitoring of proper, effective and efficient systems of control and accountability

The **Governing Body** shall ensure the preparation of annual budgets and review the audit and performance reports for the smooth functioning of the institution.

- Submit to the AFRC/State Government the expenditure report for the fixation of the fees and other charges payable by the students who seek admission into the college, on the recommendations of the Finance Committee
- Institute scholarships, fellowships, studentships, medals, and prizes and certificates on the recommendations of the Academic Council
- Follow proper procurement guidelines and ensure appropriate spending for the right cause
- The associated risks shall also be reviewed from time to time and advise suitable remedial measures to have sustainability

A3. To monitor institutional performance and quality assurance arrangements

The **Governing Body** shall advise the institute from time to time in respect of the following:

- Timely submission of documents for accreditation
- Ensuring that the statutory requirements are met in respect of accreditation for the purpose of maintaining quality of education
- Benchmarking to be taken up as a tool for performance monitoring to ensure credibility in the society for the institution
- Carrying out gap analysis and Identifying the areas for improvement.

A4. To put in place suitable arrangements for monitoring the performance of managerial and administrative positions

Members of Governing Body shall ensure that

- the Head of the institution implements the decisions of GB in true spirit for the growth of the institution using the process of decentralization
- the Head of the institution shall plan the future growth of the institution
- the required documentation is maintained to meet the statutory requirements that processes to evaluate the performance of Head of institution.

B. Openness and transparency in the operation of Governing Body

In order to maintain high ethical standards, transparency and openness are to be ensured in the working of the institution by the GB.

B1. To promote transparency and openness at every level

- All the minutes of meetings of various committees should be accessible to the important stake holders
- Preparing annual reports showing the activities in an academic year and placing the report on the website
- Conducting proceedings of governing body as lucid as possible (and permissible by statutes), including the review of those of the governing body and any reports on the outcomes of such reviews
- Detailing student admission information to ensure public trust in the integrity of the processes used regarding the selection and admission of students using clear and transparent criteria, procedures and processes
- Ensuring that vacancies are widely publicized both within and outside the institution

B2. To maintain register of interests

All members of GB shall give a declaration of interests, if any in the working of the institute. The register of interests should be collected and made available to the stakeholders and keep them updated whenever necessary.

C. KEY ATTRIBUTES OF GOVERNING BODY

The GB has been constituted in accordance with the guidelines of the UGC for autonomous Institutions. As per the guidelines, as and when required, additional members may be co-opted into the GB to carry out primary responsibilities for duration of two years.

The Chair of the Governing Body is responsible for the leadership of the governing body and is, therefore, ultimately accountable for its effectiveness. The Chair ensures the institution well connected with its stakeholders.
