About us

Annamacharya Institute of Technology and Sciences Rajampet, established in 1998 under the aegis of Annamacharya Group of Institutions, stands for nurturing technocrats and managers to have vision and insight in their chosen fields and who are globally employable in emerging areas with special focus on present requirements. The college is devoted to excellence in teaching, research, and innovation, and to develop leaders who will have the courage, wisdom, and technologies to meet the challenges in future and make a difference to the world.
