Ref.: Letter No. P MEC/C014/06-2022 dated 14.06.2022

With reference to our telephonic conversation, we are here reporting the following upgradation need to be carryout for reconfigurable robots.

- (i) Implementation of reconfigurable robot with modular design and intelligent control.
- (ii) To enable seamless transformation between various configurations and behaviors, leading to enhanced versatility, efficiency, and scalability in robotic systems.
- (iii) Hardware implementation of reconfigurable robots for diverse applications in industry, healthcare, exploration, etc.

Thanking you.

Duration of the Proposed Work : **6 Months**

Proposed date of Commencement : **24.08.2022**

Proposed date of Completion : **27.02.2023**

Payment : **100% on Completion**

Scope of the Proposed Work :

To develop a reconfigurable robot capable of performing various tasks and at numerous environmental conditions through modular design and intelligent control. By combining hardware and software innovations, we seek to enable seamless transformation between various configurations and behaviors, leading to enhanced versatility, efficiency, and scalability in robotic systems. Through experimentation and analysis, we aim to demonstrate the potential of reconfigurable robots for diverse applications in industry, healthcare, exploration, and more. Special care has to be taken when designing a field undercurrent protection feature.

Annamacharya Institute of technology and sciences
Rajampet,Annamayya(dt),A.P.India

As discussed, the job details are as follows:

- Job Title: Consultants (R & D)
- Start Date: 13.02.2023
- Salary: 80,000 (10% TDS will be deducted as per government norms)
- Location: Rajampeta

As discussed, the following are objectives and timelines:

- 1.Prototype wireless power transmission (12 to 24 watts) - March2023
- 2.1kw to 5kw wireless power transmission - from April 2023 to April 2024.
- 3. DC power generation - from April 2024 to October 2024.
- 4.Solid State Batteries & Super Capacitor

Total duration of the project – 2 Years

As discussed, your salary will be credit to your college account (Annamacharya institute of technology and sciences) and as mutually agreed please find attached NDA (Non-Disclosure Agreement) for your review and signature. Once you have signed the agreement, re-submit a copy for our records.

QO-BOX Consultant NDA

This Agreement is entered into as of the **13th February, 2023**, between **Quality Outside the Box Pvt. Ltd.** ("the Company") and **Dr.M.Padma Lalitha** ("the Consultant").

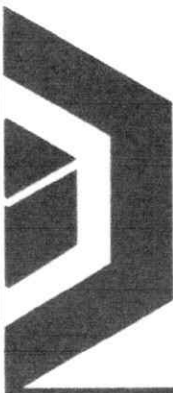

1. **Independent Consultant.** Subject to the terms and conditions of this Agreement, the Company hereby engages the Consultant as an independent consultant to perform the services set forth herein, and the Consultant hereby accepts such engagement.

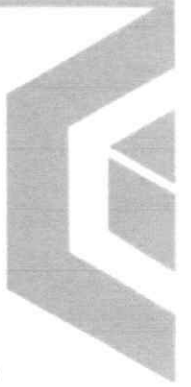

2. **Duties, Term, and Compensation.** The Consultant's duties, term of engagement, compensation and provisions for payment thereof shall be as set forth in the estimate previously provided to the Company by the Consultant and which is attached as Exhibit A, which may be amended in writing from time to time, or supplemented with subsequent estimates for services to be rendered by the Consultant and agreed to by the Company, and which collectively are hereby incorporated by reference.

3. **Expenses.** During the term of this Agreement, the Consultant shall bill and the Company shall reimburse him for all reasonable and approved out-of-pocket expenses which are incurred in connection with the performance of the duties hereunder. Notwithstanding the foregoing, expenses for the time spent by Consultant in traveling to and from Company facilities shall not be reimbursable.

4. **Written Reports.** The Company may request that project plans, progress reports and a final results report be provided by Consultant on a monthly basis. A final results report shall be due at the conclusion of the project and shall be submitted to the Company in a confidential written report at such time. The results report shall be in such form and setting forth such information and data as is reasonably requested by the Company.

5. **Inventions.** Any and all inventions, discoveries, developments and innovations conceived by the Consultant during this engagement relative to the duties under this Agreement shall be the exclusive property of the Company; and the Consultant hereby assigns all right, title, and interest in the same to the Company. Any and all inventions, discoveries, developments

and innovations conceived by the Consultant prior to the term of this Agreement and utilized by him in rendering duties to the Company are hereby licensed to the Company for use in its operations and for an infinite duration. This license is non-exclusive, and may be assigned without the Consultant's prior written approval by the Company to a wholly-owned subsidiary of the Company.

6. Confidentiality. The Consultant acknowledges that during the engagement he will have access to and become acquainted with various trade secrets, inventions, innovations, processes, information, records and specifications owned or licensed by the Company and/or used by the Company in connection with the operation of its business including, without limitation, the Company's business and product processes, methods, customer lists, accounts and procedures. The Consultant agrees that he will not disclose any of the aforesaid, directly or indirectly, or use any of them in any manner, either during the term of this Agreement or at any time thereafter, except as required in the course of this engagement with the Company. All files, records, documents, blueprints, specifications, information, letters, notes, media lists, original artwork/creative, notebooks, and similar items relating to the business of the Company, whether prepared by the Consultant or otherwise coming into his possession, shall remain the exclusive property of the Company.

The Consultant shall not retain any copies of the foregoing without the Company's prior written permission. Upon the expiration or earlier termination of this Agreement, or whenever requested by the Company, the Consultant shall immediately deliver to the Company all such files, records, documents, specifications, information, and other items in his possession or under his control. The Consultant further agrees that he will not disclose his retention as an independent consultant or the terms of this Agreement to any person without the prior written consent of the Company and shall at all times preserve the confidential nature of his relationship to the Company and of the services hereunder.

7. Conflicts of Interest; Non-hire Provision. The Consultant represents that he is free to enter into this Agreement, and that this engagement does not violate the terms of any agreement between the Consultant and any third party. Further, the Consultant, in rendering his duties shall not utilize any invention, discovery, development, improvement, innovation, or trade

secret in which he does not have a proprietary interest. During the term of this agreement, the Consultant shall devote as much of his productive time, energy and abilities to the performance of his duties hereunder as is necessary to perform the required duties in a timely and productive manner. The Consultant is expressly free to perform services for other parties while performing services for the Company. Both parties shall not solicit directly, or indirectly through any third party, affiliate, or otherwise, any current employee, consultant, or consultant of the other party, or any current Customer of the other party, for a period of two (2) years from the date of this Agreement. This does not apply to any common Customers, nor does it apply to any employees responding to general employment notifications that are not specifically targeted at those employees.

8. Right to Injunction. The parties hereto acknowledge that the services to be rendered by the Consultant under this Agreement and the rights and privileges granted to the Company under the Agreement are of a special, unique, unusual, and extraordinary character which gives them a peculiar value, the loss of which cannot be reasonably or adequately compensated by damages in any action at law, and the breach by the Consultant of any of the provisions of this Agreement will cause the Company irreparable injury and damage. The Consultant expressly agrees that the Company shall be entitled to injunctive and other equitable relief in the event of, or to prevent, a breach of any provision of this Agreement by the Consultant. Resort to such equitable relief, however, shall not be construed to be a waiver of any other rights or remedies that the Company may have for damages or otherwise. The various rights and remedies of the Company under this Agreement or otherwise shall be construed to be cumulative, and no one of the them shall be exclusive of any other or of any right or remedy allowed by law.

9. Merger. This Agreement shall not be terminated by the merger or consolidation of the Company into or with any other entity.

10. **Termination.** The Company may terminate this Agreement at any time by 10 working days' written notice to the Consultant. In addition, if the Consultant is convicted of any crime or offense, fails or refuses to comply with the written policies or reasonable directive of the Company, is guilty of serious misconduct in connection with performance hereunder, or materially breaches provisions of this Agreement, the Company at any time may terminate the engagement of the Consultant immediately and without prior written notice to the Consultant, in which case no payment in lieu of notice or other compensation will be payable. In case ,if consultant wants to leave/terminate this agreement notice period is 30 days with prior information to company.

11. **Independent Consultant.** This Agreement shall not render the Consultant an employee, partner, agent of, or joint ventures with the Company for any purpose. The Consultant is and will remain an independent consultant in his relationship to the Company. The Company shall not be responsible for withholding taxes with respect to the Consultant's compensation hereunder. The Consultant shall have no claim against the Company hereunder or otherwise for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. Consultant will be provided Pay advice but this does not in any way imply employee status of the Consultant nor does it in any way promise employment in the future.

12. **Insurance.** The Consultant will carry liability insurance (including malpractice insurance, if warranted) relative to any service that he performs for the Company.

13. **Successors and Assigns.** All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

14. **Choice of Law.** The laws of the state of Chennai, Tamandu, India shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

15. **Headings.** Section headings are not to be considered a part of this Agreement and are not intended to be a full and accurate description of the contents hereof.

16. **Waiver.** Waiver by one party hereto of breach of any provision of this Agreement by the other shall not operate or be construed as a continuing waiver.

17. **Assignment.** The Consultant shall not assign any of his rights under this Agreement, or delegate the performance of any of his duties hereunder, without the prior written consent of the Company.

18. **Notices.** Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the Indian Postal Service, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the Indian Postal Service mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

Respected Sir,

Sub: Suggesting the feasibility of the waste heat recovery from the flue gasses of furnace through your college experts as a consultancy project from our industry – Consultancy for the experts to visit the industry for studying the problem practically – Requested – Reg.

I, Mr. S. Murali Mohan Babu, Associate Vice President Sri Kalahasthi Pipes Ltd., Sri Kalahasthi inform that, we are the manufacturers of CI pipes and we have a problem with the flue gases coming from furnaces and entering in to atmosphere at a temperature of 400 to 450° C. We request you to depute your mechanical department experts to our company to study the problem and give suggestions for the recovery of waste heat from the flue gases by investigating the present problem by consulting our Engineers. We are ready to pay the necessary consultancy charges to your institute for studying the problem and offering suggestions for utilizing the waste heat of flue gases. We are waiting your positive response at the earliest.

Thanking you sir,

With regards,

S. Murali Mohan Babu.

Sir,

Sub:- AITS-RJPT-Offering consultancy to Electrosteel Castings Limited,
Srikalahasthi.
Ref:- Your Lr. No. Nil, Dt 17.04.2023 Addressed to Principal, AITS.

Thank you verymuch for giving us an opportunity to offer our consultancy to Electrosteel Castings Limited located at Srikalahasthi, Tirupathi Dist. Our college Senior Professors Dr. D. Krishna Mohan Raju and Dr. A. Hemantha kumar will visit your industry on 25.04.2023 at 10.30 a.m. for collecting complete data related to flue gases and incoming air of furnaces. Our professors will analyze the data and submit the waste heat utilization system details to you within one month. The consultancy charges for studying the quantity of heat released to the atmosphere and recovering the same to preheat the incoming air with less temperature difference and with less initial cost is Rs. 3 lakhs. The consultancy report contains the approximate details of suitable heat exchanger size and cost and possible quantity of heat saved and fuel saved per year. If this proposal is acceptable to you, you may send a requisition letter to our professors asking them to visit your industry.

Thanking you,

With Regards,

Respected Sir,

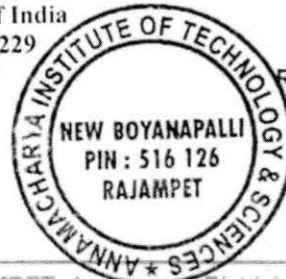

Reference Letter: Work Order Date: 16.05.2023, Tracking No: DIP-PFIN,
PR No: 3100004908.

Sub:- AITS, Rajampet - Submission of Consultancy report for the work order released on 16-05-2023 – Request for the release of payment Rs. 3,00,000/- for the consultancy work related to Ferro Alloy Flue Gas Study charges, SAC/HSN No.: 998719, Ferro Alloy Flue Gas Study and suitable heat utilization at Bitumen pre heating and post heating - Reg.

As per the work order released on 16-05-2023, our professors have analyzed the Ferro-Silicon alloy furnace flue gasses at your industry and prepared a consultancy project report. The consultancy project report contains the methodology to use the wet cooling system for cooling the flue gases and thereby to reduce the power consumption and maintenance cost of dust filters. The brief idea is provided for using the heat of flue gases in the industry. We are herewith submitting the detailed consultancy report for your perusal and implementation. Hence, it is requested to released the payment of Rs. 3,00,000/- and deposit the amount in given Bank details.

Thanking you Sir,

Castings Ltd. (hereinafter referred as "ECL"), has been accepted by the supplier.

2. PRICE: No variation and / or enhancements in the price of the materials to be supplied will be allowed after the acceptance of the purchase order of "ECL", b supplier on the ground of escalation of prevailing market rates.

3. QUANTITY: No variation and / or reduction in the ordered quantity will be allowed and / or accepted after the acceptance of the purchase order of "ECL", by supplier. However, if the materials are ordered by weight/volume, the variation in the ordered quantity to the extent of 10% may be accepted at the discretion of "ECL", by all cases the weight recorded at weighbridge of "ECL", shall be final and binding.

4. Tax INVOICE COPY : Goods + Service Tax shall be reimbursed extra at actual against submission of Original for Buyer and Duplicate for Transporter copy at the of delivery of materials / consignments. One extra invoice copy is also required for payment purpose. "ECL", shall not in any way be responsible in case the said invoice copy is lost, damage and / or destroyed either at the Check-Post or at the Transporter's end or otherwise.

5. DESPATCH: Ordered materials shall be despatched and delivered strictly within the time and subject to the conditions stipulated by the respective purchase orders. 7 delivery challans along with all other relevant documents should be sent to the concerned officer of "ECL", by registered post / courier. In case of hazardous Materials Safety Data Sheet (MSDS) and Handling Instructions should also be sent along with the Delivery Challan. Mode of transport:

a. BY RAILWAY: Full / Piecemeal wagon loads as per "ECL's" instructions are to be booked at "Electrosteel Castings Ltd, Private Railway siding" served by Rachagunn Railway Station / any other destinations as per ECL's Instructions.

b. BY ROAD: Ordered materials shall be delivered either through nominated transporter of "ECL", or any authorized bank approved transporter.

6. PACKING: The materials should be properly packed in accordance with prevailing standards so as to prevent any damage and / or destruction thereof. Package should be visibly marked on the outside with the purchase order number in bold letters. The supplier shall be responsible for any loss or damage caused to the ordered materials during transit by reason of defective and / or inadequate packing. In case of hazardous items, the containers and / or packages thereof should have a label mentioning the name and address of the manufacturer, the name of content with detailed chemical composition, handling instructions and general information relating to the items viz. Physical, Chemical & Toxicological data as per Section 17(4) of MSIH Rules. If any container / packing is found without necessary details as aforesaid "ECL", will have the liberty to reject the entire consignment and / or portion thereof.

7. INSPECTION: It shall be the responsibility of the supplier to ensure that proper quality of materials, free from any defect are only supplied or offered for inspection. Authorized representative of "ECL" shall carry out inspection of the consignment as per respective purchase order and reserves the right to witness the tests/in-process inspection at Suppliers end. Final inspection will be conducted at the works of "ECL", where the materials are to be delivered. Test / Guarantee Certificate / Internal Test Report, wherever applicable are to be submitted along with the delivery documents. "ECL" reserves the right to get the materials tested at their facility or from any reliable third party and debit any such costs incurred, to the Supplier in the event of non-receipt of the said documents or sub-standard quality of supplies.

8. REJECTION: "ECL", will have the right to reject the consignments upon final inspection in case the material fails to fulfill the required standards as per the purchase order. In such cases, the supplier shall arrange the replacement and / or repair as applicable of the rejected consignments within a period of seven days from the date of intimation of the rejection of the consignments. In case of failure on the part of the supplier to replace and / or repair; ECL, shall have the right to procure the same at the cost and risk of the supplier. "ECL", reserves the right to claim ground rent and / or to auction the rejected materials, if the same are not removed within the period of seven days from the date of intimation of rejection as aforesaid.

9. PAYMENT: Payment shall be made as per the purchase order / contract on receipt of the materials and / or consignments and the acceptance thereof by "ECL". A payment will be made to the supplier's bank account, details whereof are to be furnished to "ECL". Any cost / charges incurred by "ECL" on account of non-payment / delay to the government by the supplier or non-submission of proper document or reversal of GST input credit due to mistake / wrongdoing on part of Supplier for reason whatsoever but not attributable to "ECL", "ECL" will have the right to recover the same from the supplier in its entirety.

10. RISK PURCHASE: In the event of failure on the part of the supplier in delivering the ordered materials and / or consignments and the acceptance thereof, "ECL" shall be entitled, at its sole discretion, to recover from the supplier, liquidated damages @2% of its total value per week for the undelivered material or part thereof, delivery thereof had been delayed. Alternatively, depending on urgency, "ECL" shall also reserve the right to make risk purchase of the undelivered material and / or portion thereof from elsewhere without notice to the supplier and debit to the Supplier any additional cost incurred.

11. SECRECY CLAUSE: All information gathered by suppliers from "ECL", regarding "ECL's" nature of business, technology, etc., will be kept strictly confidential and will not be passed on to any third party in any form without the written permission of "ECL". All sub-contractors and / or sub vendors of the supplier will also have to abide by the secrecy clause. It shall be duty of the supplier to inform their sub vendors and / or sub-contractors of the Secrecy Clause and the implications thereof and to ensure strict compliance thereof. All drawings / documents handed over to the supplier during the course of execution of the contract shall be returned to "ECL", on completion of the contract and any failure thereof on the part of the supplier will be subject to proper legal action. Payment for delivery of the consignments and / or portion thereof shall not be made till the drawings and / or other confidential documents handed over by "ECL", to the supplier during the execution of the contract are returned.

12. FORCE MAJEURE: In the event that production and / or work at any of Electrosteel Castings Ltd's factories/ go-down are stopped and / or interrupted by any strikes, outbreaks, fire, flood, as a consequence of war, outbreak of civil commotion, plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis or any other circumstances declared by the government authorities or other circumstances whatsoever beyond the control of Electrosteel Castings Ltd.; in that case, "ECL" reserves the right to suspend the purchase order or amend the delivery dates to such extent as deemed necessary without incurring any liability for the same.

13. STATUTORY REQUIREMENTS: The Supplier shall provide all necessary statutory declarations and / or documents as required under GST Act 2017, the rules made thereunder and / or under any law for the time being in force. The supplier should also provide their income tax, PAN number in their invoices. TDS and / or other provisions shall be made as per the rules. The supplier shall observe and comply with all the provisions of labour laws as well as with all other rules and regulations including those relating to safety, environmental pollution etc., as also with all Central and State Acts in force.

14. ARBITRATION: All disputes and / or questions which may arise at any time between the supplier and "ECL", in relation to all or connection with or concerning the contract and / or touching true construction of this Agreement or the rights and liabilities of the parties hereto or the interpretation of the terms and conditions contained in the contract or the claims and liabilities or transactions of the parties in connection with this agreement shall be referred to the arbitration of a Sole Arbitrator to be appointed by mutual agreement of the parties. Such arbitration proceedings shall be held in accordance with and / or shall be governed by the provision of Arbitration and Conciliation Act 1996 and / or any other law for the time being in force. The arbitrator shall have powers of summary procedure and shall not be required to give reasons for the award.

15. JURISDICTION: The courts at Tirupati alone will be vested with exclusive jurisdiction to receive, try and entertain any action initiated by and between the parties arising out of this agreement.

Sub: Request for Faculty Collaboration in Under Vehicle Surveillance System - Reg.

Dear Sir,

I hope this message finds you well. My name is Ramkumar Voraganti and I am reaching out on behalf of PVR Tech Hub, based in Hyderabad. Our company specializes in the development of tailored electronic solutions and advanced security surveillance systems.

Given our current projects and future plans, we are keen to collaborate with leading experts in these fields. We respectfully request your assistance in assigning a faculty member from your prestigious institute who has expertise in creating customized electronic systems in Under Vehicle Surveillance Systems. We would greatly appreciate the opportunity to discuss this potential collaboration in further detail at your earliest convenience.

Thank you for considering our request. We look forward to the prospect of working together.

Sincerely,

Ramkumar Voraganti
Chief Executive Officer,
PVR Tech Hub

Respected Sir,

Subject: Request for Training on AI Tools, GAN and Networking Tools

We at BM Company Technologies are committed to continually enhancing the skills of our team to maintain our competitive edge and improve our operational efficiency. In line with this objective, we seek for providing comprehensive training on AI Tools, GAN and Networking Tools for our staff.

After thorough consideration, we have identified your esteemed institute as the best fit for providing this training, given your reputation and expertise in these areas.

We request a customized training program covering:

1. In-Depth training on AI Tools, GAN
2. Advanced training on Networking Tools.

The training is intended for 18 members and we propose a duration of **one month**. The total cost of the training program is Rs 1,70,000, which we are prepared to cover. We believe that this training will significantly benefit our team, and we look forward to collaborating with your institute for this purpose. Kindly provide us with a detailed proposal outlining the course content, schedule, and any other relevant details.

Thank you for considering our request. We look forward to your positive response and the opportunity to work together.

Yours sincerely,

Co Manager

Subject: Appreciation for Successful Completion of AI Assistance for Office and Networking Tools Training - Reg

Our team at KUBE Technologies would like to express its sincere gratitude to AITS, Rajampet for the successful completion of the AI Assistance for Office and Networking Tools training program that was offered to us between September 12 and September 24, 2022.

High levels of professionalism and knowledge were displayed by the teaching members, and the training sessions were remarkably well-organized. Our team's skill set has been much improved by the thorough covering of AI Assistance for Office apps and sophisticated Networking Tools. They now possess real-world expertise that will surely improve our operational efficiency.

We would like to specifically commend the following aspects of the training program:

1. **Quality of Instruction:** The trainers were knowledgeable and adept at conveying complex concepts in an understandable manner.
2. **Course Content:** The training material was thorough and relevant to our needs.
3. **Hands-on Practice:** The practical sessions were immensely beneficial and allowed our team to apply what they learned in real-world scenarios.
4. **Support and Assistance:** The support provided by your team throughout the training was exceptional.

We are sure that the knowledge and abilities we have gained from this course will significantly improve our workflow and productivity. We eagerly await the chance to work with your prestigious institution in the future to provide additional training courses.

I want to thank you again for your wonderful assistance and service. Please let the participating faculty members know how much we appreciate it.

Yours Sincerely,

For KUBE Technologies.
