

IEEE Member Benefits

1. Connect With IEEE. Anytime. Anywhere. With IEEE App

- a. Stay up-to-date with the latest news from IEEE. Schedule, manage or join your own "informal" meetups. Locate and communicate with other IEEE colleagues nearby. IEEE connects you to people, products, services, and events at your fingertips anytime, anywhere.
- b. The new **IEEE Event Finder mobile app** lets you search for an event not only by its name but also by city, state, or province; by IEEE region, section, or chapter; or by the IEEE Society or council sponsoring it.

2. CAREER RESOURCES -IEEE Free eBook for members

The free eBook is available monthly. Sign in with your IEEE Web Account, add the book to your cart, and use promo code **received in mail regularly** at checkout.

3. Access Your IEEE Member Directory- IEEE Collabratec®

Networking. It's all about who you know and the IEEE Member Directory puts you in touch with more than 300,000 IEEE members around the world. An exclusive member benefit, the IEEE Member Directory is visible to active IEEE Members through IEEE Collabratec®. Utilize the IEEE Member Directory to:

Connect with members in your Section, technical Society, or field of interest.

- Find a verified IEEE member, accessible only in IEEE Collabratec.
- Find a senior member to serve as a professional reference for your Senior member application.

4. Establish a Mentoring Relationship

Are you an experienced professional in the field of engineering looking to share your knowledge and experience? Are you in need of advice, seeking guidance on starting your career, planning a career change, or building technical skills? The IEEE Mentoring Program is a partnering experience matching mentors and mentees.

Getting Started

The program is available to all IEEE members and Society Affiliates. Both mentors and mentees can **participate in the program by visiting IEEE Collabratec®**. Mentors should select "Opportunities" from the menu and opt in from the "Settings" tab. Mentees can find a mentor by selecting "People" from the menu, and use the available filters to narrow your search.

Fostering a Productive Relationship

Once a mentorship match is made, a private group is created so the pair can set goals for the relationship. The partners are encouraged to work together on a plan to accomplish these goals and develop a timeline for them. It is also important for the pair to agree up front on the amount of time and commitment each person should expect from the other.

5. IEEE Member Discounts

IEEE members can access more savings in more places for home and office - including group discounts on insurance, travel, home/office and technology needs. While you focus on your career, we'll take care of saving you money. See vendor details for terms, conditions and availability.

6. KEEPING TECHNICALLY CURRENT- IEEE.tv

IEEE.tv is an internet based television network made possible by the members of IEEE. **IEEE.tv** produces and delivers special-interest programming about technology IEEE members log in to access special members-only programs and site features including downloads and transcripts.

7. MEMBER RECOGNITION

The IEEE Public Visibility Initiative continues its efforts to increase worldwide recognition of the IEEE brand and its members. This initiative is intended to foster awareness of members' ongoing contributions to society for the benefit of humanity, and to elevate these IEEE members to their peers and the general public.

8. Print Your IEEE Member Certificate

Display your membership proudly, with your own IEEE Membership certificate. Every active member has access to this for the current membership year. The link is located

in IEEECollabratec. After signing in, and clicking on your profile image in the upper right hand corner, you will find the Member Certificate link. A color certificate, that features your name, grade and year, will automatically be generated and ready to print.

9. Earn Rewards for Referring New Members

Join the IEEE Member-Get-A-Member program and you can earn rewards for every new member that joins IEEE. As result of your efforts, earn up to US\$90 off member dues, IEEE Society fees or the purchase of books and publications. You can also help your local IEEE organizational unit (Section, Student Branch, etc.) earn money too. This is a prime opportunity to share the value of IEEE Membership with your friends and colleagues.

10. IEEE Tech Insider Webinars

- a. Learn from industry experts about latest technology advances via our free Tech Insider Webinars. This page lists upcoming and available 'on demand' Tech Insider webinars. All the live webinars are archived and are available on demand for 12 months. IEEE members can also earn PDH certificates for each webinar.
- b. IEEE-USA Webinars are designed to help you find your next job, maintain your career, negotiate an appropriate salary, understand ethical considerations in the workplace and learn about other career-building strategies.

In four easy steps, you can attend one of IEEE-USA's free, live Webinars:

1. Search our listing of future Webinars
2. Register online
3. Receive an email from the Webinar team with sign-on info
4. Sign on and learn!

11. IEEE Resume Lab

IEEE ResumeLab is an online service that allows IEEE members to develop a resume or curriculum vitae using a wide array of resume templates. Members can also perform mock interviews using over 900 potential interview questions or develop letters, portfolios, and skills assessments to use during the interview process. Best of all, the information developed on IEEE ResumeLab is easily shared with potential employers, mentors, or colleagues via a personalized website.

12. IEEE Email Alias: yourname@ieee.org

Did you know that you can set up your own @[ieee.org](mailto:yourname@ieee.org) email address? After you create your alias, activate your IEEE-branded Gmail account or set up mail forwarding services. In addition, you will have access to Google Drive, advertisement free Gmail, 30 gigabytes of shared storage, and 99.9% up time guaranteed by Google.

And Many More.....
