PROCEEDINGS OF THE MEETING OF THE FEEDBACK COMMITTEE HELD ON 07.07.2025 AT 04:00 PM AT DEPARTMENT SEMINAR HALL

A meeting of the committee constituted for feedback committee was held at seminar hall on 07.07.2025 at 04:00 PM under the chairmanship of Dr. N.R. Gowthami, Assistant Professor, Civil Engineering department, Annamacharya Institute of Technology and Sciences (Autonomous), Rajampet.

Members Present:
Dr. N. R. Gowthami – Chairman
Mr. S. Venkata Vara Prasad – Member
Mr. V. Haneef – Member

At the Outset, Mr. A. Anil Kumar, Co-ordinator, welcomed Dr. N.R. Gowthami, Chairman and Hon'ble members of feedback committee to the meeting. The agenda items were taken up for discussion with the permission of the chair.

Item No.1: Chairman decided to make industrial training compulsory from upcoming semester onwards.
Discussion: The members discussed the importance of industrial exposure in bridging the gap between academic learning and practical implementation. It was observed that structured industrial training would improve students' understanding of construction practices, project management, and workplace culture.
Item No. 2: Conduct department level meeting with all faculty in the department to revise and include current technological trends and industry practices
Discussion:
Members emphasized the need for periodic curriculum revision to incorporate emerging technologies, industry requirements, and software tools used in Civil Engineering practice.
Item No 3: Coordinate with Industry experts to schedule more frequent and various industrial visits for the students of 3rd and 4th Years.

Discussion:

The committee stressed the importance of industrial visits in providing practical exposure to students regarding construction methodologies, quality control, and project execution.

Item No 4: The department should Collaborate with Skill Development Agencies to introduce certified short-term courses in areas and other designing software courses.

Discussion:

The members discussed the growing demand for industry-recognized certifications and software skills among graduates.

Item No 5: Initiate Competitive Exam Cells to conduct coaching, seminars, and motivational sessions for GATE, UPSC, SSC.

Discussion:

The committee recognized the need to support students aspiring for higher studies and government employment through competitive examinations.

Item No 6: Upgrade Laboratory Facilities and increase the number of field-based learning activities.

Discussion:

Members highlighted the importance of modern laboratory facilities and field exposure for effective learning and skill development.

Item No 7: Form a library committee comprising faculty and student representatives to periodically review and recommend new books. Subscribe to e-books, online journals, and digital libraries.

Discussion:

The committee discussed the necessity of updating library resources to support academic and research activities.

Dr. N.R. Gowthami
