### **Department of Civil Engineering**

#### **About Us:**

Annamacharya Institute of Technology & Sciences, Rajampet is an AUTONOMOUS institution and is affiliated to JNTUA, Anantapuramu. The institute was started in the year 1998 under the auspices of Annamacharya Educational Trust in picturesque surrounding on a spacious 30 acre campus near Tallapaka, the birth place of Annamacharya, the renowned saint poet.

## **Our Vision:**

We impart futuristic technical education and instill high patterns of discipline through our dedicated staff who set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.

## **Our Mission:**

Our mission is to educate students from the local and rural areas, and from other states so that they become enlightened individuals, improving the living standards of their families, industry and society. we provide individual attention, world-class quality of Technical education and take care of character building.

## **Civil Engineering**

### **Vision:**

The Department of Civil engineering strives to help its graduates to become technically sound and ethically strong engineers and to be recognized as one of the best Civil Engineering program's in the country through its pursuit of excellence in teaching, research and service activities, besides imparting basic knowledge.

### **Mission:**

The mission of AITS's Department of Civil Engineering is:

To impart training to the students in order to make themselves suitable for the changing technologies in Civil Engineering field.

To provide an environment which inspires the students to enhance their analytical thinking and creativity to solve the problems of rural public and problems of the world related to Civil Engineering.

To nurture leadership and team work in the students so as to make them good leaders, entrepreneurs and responsible citizens.

### **Programme Educational Objectives:**

The following Program Educational Objectives are consistent with the College and Department Missions. Graduates of our Civil Engineering program are expected within a four years of graduation to have:

S.No. Programme Educational Objectives

PEO1 To apply a broad, fundamental-based knowledge and up-to- date skills required in performing professional work in Civil Engineering and related disciplines.

PEO2 To design the works pertaining to Civil Engineering, incorporating the use of design standards, realistic constraints and consideration of the economic, environmental, and social impact of the design.

PEO3 To use modern computer software tools to solve Civil Engineering problems and explain and defend their solutions and communicate effectively using graphic, verbal and written techniques to all audiences.

PEO4 To demonstrate their ability to deal effectively with ethical and professional issues, taking into account the broader societal implications of Civil Engineering.

**Programme Outcomes:**

S.No.	Program Outcomes
PO1	Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
PO2	Problem analysis: Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
PO3	Design/development of solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
PO4	Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
PO5	Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.
PO6	The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
PO7	Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

- PO8 Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- PO9 Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- PO10 Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- PO11 Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
- PO12 Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

### **ABOUT THE DEPARTMENT**

In the year 2012, the Civil Engineering department was formed. The department, which is one of the Institute's key engineering departments, has expanded enormously and is now acknowledged as one of the major engineering departments. Undergraduate civil engineering program contain not just civil engineering studies, but also value education, industrial training, placement training, and computer training, all of which are required to be a successful civil engineer in today's world. The department provides field and technical visits for scholars to get practical experience. The department also provides a postgraduate degree in structural engineering, which includes both core and elective courses (inter and intra department). Students can obtain practical experience through summer internships.

Teaching, Student activities, Research, and Consultation works are all priorities for the department. Faculty members in the department are highly qualified and experienced. In addition to the institute's primary library, the department has smart classrooms, counselling room, and its own library. Structural Engineering, Geotechnical Engineering, Environmental Engineering, Water Resources Engineering, Transportation Engineering, and other fields are covered by the faculty. Faculty members contribute to academic advancement through research publications and giving presentations at International and National conferences. The labs are well- equipped with cutting-edge technology.

## From the HOD's Desk

Welcome to the Department of Civil Engineering!

You've come to the correct spot if you're seeking for a well-balanced and innovative teaching-learning environment in Civil Engineering. The Civil Engineering Department aspires to be a leader in teaching, learning, and professional development. To complement our academic program, we are fortunate to brag state-of-the-art laboratories and deted academic and technical staff. Our department and its knowledgeable faculty provide practice-based education, equipping our students for a rewarding and successful profession. Needless to mention, almost 30% of our students from the last two graduating classes were placed in My Homes as well as for higher education, demonstrating our academic superiority. Our graduates are especially well prepared for demanding employment, big project management, and being on the front lines.

So, why wait? Come and join us now and build the Nation!

## ABOUT NEWS LETTER

I am glad in publishing the Departmental Newsletter "NIRMAN" for the academic year 2021- 2022 (Month: July - December). This newsletter exhibits the Conference, Workshops, Seminars, Events, Student Achievements and Faculty Achievements. It is great to find a considerable number of lectures and workshops helpful in sharing innovative ideas and knowledge. We do additional mentorship to our students through innovative technical sessions and seminarover the coming years. I thank all the faculty members and students for making this semester eventful in various aspects. I congratulate the team members in bringing this newsletter successfully.

## NATIONAL CONFERENCE on R&AITS-2021

It was one day national conference on 28<sup>th</sup> august 2021 in virtual mode to provide profound research ideas in this pandemic situations for research aspirants and to showcase latest research finding and stood as huge inspiration for the research scholars in tough situations. The main motto of this conference was to exchange the knowledge among researcher to invent the noble material. The conference was graced by Dr. C. Sashidhar as a key note speaker and serving as a registrar, JNTUA, Ananthapuramu. The overall conference was very informative and have some innovative ideology to the usage of materials.

Hon'ble chief guest Dr. C.Sashidhar,

## EVENTS CONDUCTED IN DEPARTMENT:

### Constitution Day

In the month of November, a Quiz competition was organized by the department on 26<sup>th</sup> of this month on the occasion of Constitution Day and the prizes were distributed by the vice chairman of the institute Sri C. Yella Reddy garu, Principal Dr. SMV. Narayana and Head of the Department Dr. T. Naresh Kumar.

Winners of the event with institute vice chairmansri C. Yella Reddy garu, Principal Dr. SMV.Narayana and Head of the Department Dr. T. Naresh Kumar and coordinators Mr S.V.V.PrasadandMr K. Vishnu Vardhan.

### National Pollution Control Day

A National Event took part on behalf of the NATIONAL POLLUTION CONTROL DAY by the department of Civil Engineering on 2<sup>nd</sup> Dec 2021. On this occasion the elocution and drawing competitions were held. The prizes were distributed in the departmental seminar hall and the event was graced by Executive Director of the institute Sri C. Abhishek Reddy garu.

Winners of the event with Institute Executive Director Sri C. Abhishek Reddy garu, Institute Principal Dr. SMV.Narayana and Head of the Department Dr. T.Naresh Kumar and coordinators Mr S.V.V.Prasad and Mr K. Vishnu Vardhan.

## Mathematics Day

A National level quiz Competition was held on Mathematics Day (26<sup>th</sup> Dec) celebrating the birth anniversary of the great Indian mathematician Srinivasa Ramanujan. Principal of the institute Dr. SMV. Narayana garu has attended the event as a chief guest and distributed the prizes to the students at the Civil Engineering Departmental seminar hall.

Participants of the event with Institute Principal Dr. SMV. Narayana and Head of the Department Dr. T. Naresh Kumar and coordinators Mr S .V. V. Prasad and Mr K. Vishnu Vardhan.

## National Short film Day

A short film contest is held for the students on the eve of National Short film Day on 28<sup>th</sup> Dec 2021. Students had participated very eagerly and directed many short films. Principal of the institute Dr. SMV Narayana has attended the event and awarded the winners and participants at the Civil Engineering Departmental seminar hall.

Participants at the event with institute Principal Dr. S M V. Narayana and Head of the Department Dr. T. Naresh Kumar, coordinators Mr. A. Anil Kumar, N. Siri Chandana and department faculty.

## STUDENT ACHIEVEMENTS

- ✚ Mr.B. Madhusudhan Reddy, of III B.Tech Civil Engineering has won the GOLD MEDAL in 1st A.P State Grappling (Wrestling) championship 2021 held at KVK Indoor Stadium , Anantapuramu on 2nd and 3rd October 2021.
- ✚ Mr. H. Pavan Kalyan of III year A- sec has won 1st prize in SPICES logo design competition contest conducted by AITS student welfare club from Civil engineering department.
- ✚ Mr. D Harish of IV -A Sec has won 2nd prize in SPICES logo design competition contest conducted by AITS student welfare club from Civil engineering department.
- ✚ Mr.B.Dinesh of III-B Sec has won 2nd prize in SPICES logo design competition contest conducted by AITS student welfare club from Civil engineering department.
- ✚ Miss K.Sucharitha of III-C Sec has won participation prize in SPICES logo design competition contest conducted by AITS student welfare club from Civil engineering department.
- ✚ Miss D. Viswasree of III-C Sec has won participation prize in SPICES logo design competition contest conducted by AITS student welfare club from Civil engineering department.
- ✚ Miss D. Viswasree and Miss G. Lakshmi Manasa of III YEAR won 1st prize in ATM 21 for her presentation on "PLASTIC ROADS".
- ✚ Mr L.Kumar, Mr T. Hari Krishna, Mr K. Naveen Kumar, Mr. R.Mustaq Basha of III YEAR B-sec has won first prize in quiz competition on constitution of India on constitution day.
- ✚ Mr K.Anand of II YEAR A-Sec has won first prize in elocution competition ina national level competition on the eve of national pollution control day.
- ✚ Mr M. Gireesh II YEAR A-Sec has won first prize in drawing competition ina national level competition on the eve of national pollution control day.
- ✚ Mr S. Nasar Basha,Mr H.Pavan Kalyan,Mr M.Bala Krishna Reddy, III YEAR A-Sec has won first prize in quiz Competition on Mathematics Day.
- ✚ Mr B. Dinesh has won the III A-sec has won the best screenplay award in the short film contest on national short film day.
- ✚ Mr K. Gowtham has won the II A-sec has won the best editor award in the short film contest on national short film day.

- ✚ Mr P. Fayaz Khan has won the II A-sec has won the best Director of Photography award in the short film contest on national short film day.
- ✚ Mr C. Raj Kumar has won the III A-sec has won the best concept award in the short film contest on national short film day.
- ✚ Mr P. Abbas Khan has won the II A-sec has won the best script writer award in the short film contest on national short film day.
- ✚ Mr L. Sudershan has won the III C-sec has won the best director award in the short film contest on national short film day.
- ✚ Mr B. Ashok and his Team of II A-sec has won the best Short Film award in the short film contest on national short film day.
