

**ANNAMACHARYA UNIVERSITY**  
**Department of ECE**  
**Academic year:2024-2025**

**Antrix ECE Association:**

**1) Fun games :(03-10-2024)**

Fun games are recreational activities designed to entertain and engage people of all ages. These games can be played indoors or outdoors, individually or in groups. Fun games are not just enjoyable; they also help in developing physical, mental, and social skills.

Fun games are more than just time-pass activities. They have several valuable impacts:

**Physical Development** – Improve coordination, strength, and stamina.

**Mental Growth** – Boost memory, problem-solving, and creativity.

**Social Skills** – Encourage teamwork, communication, and leadership.

**Stress Relief** – Reduce anxiety and promote happiness.

**Focus & Patience** – Many games enhance concentration and self-control.

**2) Running Race:(18-03-2025)**

The Running Race event was one of the most anticipated competitions of the Annual Sports Meet. Students from all grades participated with great enthusiasm and displayed remarkable athleticism, sportsmanship, and determination. The races began with the **100-meter sprint**, where students showcased their explosive speed. Cheers from the audience added to the excitement as participants crossed the finish line in seconds. The **200-meter and 400-meter races** tested not only speed but also stamina. Competitors paced themselves smartly and gave their best till the last moment.

The highlight of the day was the **4x100 meter Relay Race**, which brought in teamwork and coordination. All relay teams performed exceptionally well, handing over the baton smoothly and finishing strong.

### 3) Paper craft:(19-03-2025)

Introducing students to the art of paper crafting and allow them to express creativity through hands-on activities like folding, cutting, and assembling paper into beautiful artworks. The Paper Craft Activity was conducted as part of the school's art and creativity initiative to encourage imaginative thinking and enhance fine motor skills among students. The session witnessed enthusiastic participation from students of various classes.

### 4) Cokking: :(21-03-2025)

The cooking activity was conducted to encourage creativity, enhance culinary skills, promote teamwork, and teach students the importance of nutrition and healthy eating habits.

#### **Introduction to Cooking Basics**

Students were introduced to kitchen safety rules, basic hygiene, and simple cooking techniques such as chopping, mixing, and garnishing.

#### **Hands-on Cooking Session**

Participants prepared easy-to-make dishes such as:

#### **Fruit Salad**

**Vegetable Sandwiches**

**Lemon Juice**

**Bhel Puri**

**5) Rangoli: :(22-03-2025)**

The Rangoli activity was organized to celebrate Indian culture, enhance students' artistic talents, and encourage teamwork, creativity, and festive spirit. Rangoli is a traditional Indian art form drawn on the floor using colored powders, rice, or flower petals. It symbolizes prosperity and is often used during festivals and special occasions. The Rangoli event was a colorful and cultural celebration that brought joy and artistic expression to the students. It also promoted appreciation for Indian heritage and teamwork among peers.

#### 6) Treasure hunt: :(24-03-2025)

The treasure hunt was organized to promote teamwork, problem-solving, critical thinking, and communication among students in a fun and adventurous way. The students were divided into teams. Each team was provided with the first clue that led them to the next hidden clue.

The clues were designed with **Riddles, Puzzles, General knowledge questions**  
**Observation tasks**

#### 7) knot game: :(25-03-2025)

The **Knot Game** was conducted as a part of our fun and interactive group activities to promote **teamwork, problem-solving, and coordination** among the participants. Students were grouped in circles and asked to join hands randomly to form a human knot. The challenge was to untangle themselves without letting go of each other's hands.

The activity witnessed enthusiastic participation from students of all age groups. Each team displayed excellent communication and patience while working together to solve the human knot. Some groups managed to untangle quickly, while others took more time but still enjoyed the process thoroughly.

The game encouraged:

- 

**Critical thinking and strategy building**

- 

#### 8) Kabaddi: :(26-03-2025)

The Kabaddi match was conducted as a part of our sports and physical education program to encourage traditional games and promote physical fitness, courage, and team spirit among students.

The match began with a brief explanation of rules and a warm-up session. Each team showed excellent coordination, agility, and strategic planning throughout the game.

The game progressed with nail-biting moments as raiders and defenders battled it out with strength and skill. The players demonstrated exceptional stamina and sportsmanship, thrilling the audience with their impressive performances.

### 9) Poster presentation: :(27-03-2025)

The Poster Presentation was organized to encourage students to showcase their creativity, research skills, and understanding of various academic and social topics. Participants were asked to create posters on themes such as science, environment, technology, health, innovation, and current social issues.

Each participant explained their topic clearly, highlighting key points, visuals, and data on their posters. The session promoted effective communication, confidence, and analytical thinking.

### 10) Singing: (28-03-2025)

The Singing Competition was conducted to provide a platform for students to express their musical talent and creativity. The event witnessed enthusiastic participation from students across various classes who showcased their vocal abilities in different genres including classical, folk, devotional, patriotic, and film songs.

The audience was treated to a melodious experience, with several heart-touching performances earning loud applause. The judges, who were experienced in the field of music, appreciated the talent and gave valuable feedback to encourage the budding singers.

The competition was conducted in a time-bound format, encouraging quick thinking and accuracy under pressure. Students demonstrated great enthusiasm and focus throughout the test.

## **13). Elocution : (22-01-2025)**

An Elocution Competition on the topic “Social Media Influence on Children” was organized on 22.01.2025 as part of the Republic Day celebrations. The event aimed to raise awareness among students about the positive and negative impacts of social media on young minds. Participants spoke passionately about how social media affects communication skills, education, behavior, and mental health of children.

The competition encouraged students to think critically and express their opinions confidently. The judges appreciated the participants for their insightful speeches and effective presentation skills. Winners were awarded prizes, and the event concluded with a message emphasizing the responsible use of social media and the importance of digital well-being in today’s world.

### **Clarity of speech and pronunciation**

### **Content relevance and originality**

### **Confidence and stage presence**

The event was judged by experienced faculty members who appreciated the talent and effort shown by all the participants. The audience was thoroughly engaged and inspired by the eloquent speeches delivered.

### **Yoga : (21-06-2025)**

The Yoga Club offers a peaceful space for students to practice mindfulness, improve flexibility, and enhance overall well-being. Through regular sessions, members learn various yoga postures, breathing techniques, and meditation practices that help reduce stress and increase mental clarity. The club welcomes participants of all skill levels, fostering a supportive environment for personal growth and inner balance. In addition to group classes, the club often organizes workshops on holistic wellness, including nutrition and stress management. Members also have opportunities to participate in yoga retreats and outdoor sessions, connecting with nature. Joining the Yoga Club promotes a healthy lifestyle and a calm, focused mind.

### **World space week: 09-10-2024**

An essay writing competition on the topic “The Role of Space Technology in the Development of the Country” was organized on 09.10.2024 by the ECE ANTIX Association. The event aimed to encourage students to explore and express their views on how space technology contributes to national progress in areas such as communication, defense, agriculture, weather forecasting, and disaster management.

Participants enthusiastically presented their essays highlighting India's achievements in space research through organizations like ISRO and discussed the future potential of satellite technology in improving connectivity and sustainable development. The competition helped students enhance their technical knowledge, creativity, and writing skills. Prizes were awarded to the best essays, and the event concluded with appreciation from the faculty for the active participation and insightful ideas shared by the students.
