## Mahotsav, Vicennial Celebrations, on 7<sup>th</sup>, 8<sup>th</sup> & 9<sup>th</sup> February 2018

Mrs. Roja Selvamani and Mr. Ali, on the dais with The Founder Sri Choppa Gangi Reddy

Mahotsav, the 20<sup>th</sup> Anniversary of AITS Rajampet was celebrated with much pomp and grandeur on 7<sup>th</sup>, 8<sup>th</sup> & 9<sup>th</sup> February 2018. Vice chancellor of Yogi vema University Dr. A. Rama Chandra reddy inaugurated the celebrations by lighting the lamp on the first day. In his address Dr. Reddy appreciated the collective effort of the management for developing the institution to earn good reputation throughout the state for its quality education and high standards despite the fact that it was established in a small village 20 years ago. Sri C. Gangi Reddy, Founder of AITS, remarked that it was not only students but also parents who reposed a lot of faith in AITS, which in turn gave further impetus to his vision and ideology.

Film stars Mrs. Roja Selvamani and Mr. Ali, and Mr. Anand Reddy, Vice-chairman of Rayalaseema educational institutions acted as chief guests in the evening of the second day. Mr. Ali advised the students to live up to the aspirations of their parents. Mrs Roja suggested the students not to forget till their death the birth place, parents and the teachers who taught them.

Padmashree Dr. V. Adi Murthy, Scientist, ISRO, was invited as the Chief Guest for the third day. He said that every civilian must watch how technology is developing and should be able to appropriate the same when need be which is nothing but the fulfillment of social responsibility.

Technical expo, Cultural programmes and film quiz were conducted. Students of all branches presented papers in the Tech fest and were given away prizes. Dr. C. Rama Chandra Reddy, Chairman; Sri C. Yella Reddy, Vice-chairman; Sri C. Abhishek Reddy, Executive Director; Prof. S. M. V. Narayana, Principal were present on all three days looking after the smooth conduct of mega-scale event. Prof. M. Subba Rao, Coordinator of Student Affairs, acted as convener of Mahotsav. Heads of all departments, students, teaching and non-teaching staff participated in the event.

## “Bridge man of INDIA” Padmasri Sri Girish Bharadwaj’s invited talk

Sri Girish Bharadwaj delivering his address

“Bridge man of INDIA” Padmasri Sri Girish Bharadwaj’s visited AITS Rajampet on 10<sup>th</sup> January, 2018 to deliver a guest lecture to Civil Engineering students. He delivered a guest lecture on “Rural Connectivity and Challenges” to the students and gave the importance of connecting rural India to the world using suspending bridges. He described the challenges and bottle-neck situations that he faced in constructing bridges at critical locations across India. Mr. Bharadwaj built more than 140 hanging bridges across India. He advised the students to work for the rural development by using innovative technology in the field. Prof. S.M.V. Narayana, Principal AITS, Prof. Y. Sriramulu, Head, Civil Engineering, for the event and faculty were present on the occasion.

## Annual Meeting of Consortium of Autonomous Engineering Colleges

Annual Meeting of the consortium of autonomous engineering colleges under JNTUA, was held on 14<sup>th</sup> April 2018. Implementation of latest strategies and various plans in improving the quality of higher education is the agenda of this meeting. Sri P. Subba Reddy and , Dr. B. Srinivasa Reddy form GPREC, Kurnool; Dr V Vijay Kumar Reddy from NBKR Institute of Science and Technology, Vidyanagar; Dr. M. Shanthi Ramudu, Dr. C. Jaya Chandra Prasad from RGM Engineering College; Sri T. Gopal Rao and Sri B. Ravi Shekar from Sri Vidyanikethan Engineering College; Dr P Ramesh Kumar from Srinivas Institute of Technology and Management Studies, Chittoor; Dr P. Bhaskar, Sri R Srinivas, Dr E. Loknath Reddy, and Dr K. Dilli Babu from Sri Venkateswara College of Engineering and Technology, Chittoor; Sri A. Mohan, Dr V. S. S. Murthy from KSRM College of Engineering, Kadapa; and Dr C. Yuvaraj from MITS, Madanapalli attended the meeting. Sri C. Gangi Reddy, Founder; Dr. C Ramachandra Reddy, Chairman; Sri C. Yella Reddy, Vice Chairman; took part in this meeting.

## A Talk by Pogula Ganesam, *Palle Srujana*

Brigadier Pogula Ganesham interacting with students

Brigadier, Pogula Ganesham, President, *Palle Srujana* Organization visited AITS, with his team, on 5<sup>th</sup> March, 2018 and organized an awareness program, titled, “Minds of masses for Sustainable Development”. “We should cultivate our thought process and ideology to ease the burden and comfort every needy in and around us”, stated, Mr. Ganesham in his address to students. Later, he advised students, to be humane in one’s life journey as everyone seems embracing technology and tools and neglecting people, which is not good. He continued to say people in rural areas are endowed with rich source of knowledge, hence one should spend time with them, talk to them to elicit hidden treasure of wisdom and use in creating new tools for human kind which are human and environment friendly. The Team of *Palle Srujana*, later exhibited various models they invented which enable farmers work for longer periods with less burden.

## A Guest Lecture on Shallow and File Foundations for Industrial Structures

A Guest Lecture on “Shallow and File Foundations for Industrial Structures” to III Civil Students was organized by Department of Civil Engineering, on 24<sup>th</sup> March, 2018. Mr. Kondapalli Bhairagi, Chief Executive Manager, L& T, Chennai, was the resource person of the Guest Talk. “Construction material used for basement in ‘sand floor’ and ‘black peat soil’ must be different as both the soils differ in their properties and soil strengths. It is challenging to civil engineers to use right material, compatible for a particular soil, hence knowledge of different soils and materials compatible in varied soil types with reference to load bearing calculation, is must for a civil Engineer”, said, Mr. Bhairagi. Dr. S. M. V. Narayana, Principal, AITS; Dr. Y. Sriramulu, Head, Civil Engineering, Staff and Students were present during the lecture.

## An Awareness Programme on Consumer Transactions

**Prof. Purushotham Reddy, addressing the audience**  
 An awareness programme on consumer transactions and environmental protection was held on 23<sup>rd</sup> February 2018. Prof. Purushotham reddy, an eminent environmentalist, Mr. Mandadi Krishna reddy, Chairman, National Consumers Affairs Committee were the resource persons for this programme. Prof. Purushotham Reddy stressed the need for protecting the environment and dwelt at length about the ill effects of usage of chemical fertilizers in the farm lands. He also mentioned that the population of birds is deteriorating eating such products and insisted upon the usage of organic fertilizers. Mr. Krishna Reddy said that milk and essential commodities are now completely adulterated and groceries are sold above maximum retail prices in the market. He advised the students to report the same to the nearby Consumers affairs office for a quick stringent action against the defaulters.

## An Awareness Program on Technology for National Security

An awareness program on “Technology for National Security” was conducted to III ECE& III EEE students, on the campus by Department of ECE on 28<sup>th</sup> March, 2018. Sri. K. V. S. S. Prasada Rao, Former Ex-officio secretary to Govt. of India and Chairman NTRO, was the Chief Guest of the program. “Regular and dedicated efforts always yield results in any field, despite occasional jolts, said, Sri. Prasad Rao. He cited ISRO’s fame in Sending satellites successfully with undeterred spirit to succeed though there were few failures”. We are emerging as formidable India from vulnerable state, in technology; hence students should be dynamic to get hold of trends that keep coming. Sri Prasad, advised, young students to be strong mentally and nurture leadership skills to strive further in life. Later he interacted with staff and shared his wisdom.

## Padmashree Kotimokkala Ramaiah visited

**Sri and Smt. Kotimokkala Ramaiah planting a sapling**

Padmasri Awardee, Sri Daripalli Ramaiah, who is fondly called as ‘koti mokkala ramaiah’ visited the college on 23<sup>rd</sup> March, 2018. Sri Ramaiah addressed Students and Staff of AITS, on “Influence of Environment on Society”, and appealed everyone, to plant trees to safeguard nature and vegetation. He added, nearly 50,000 Hectares, forest land is transformed every minute, in the name of civilization and industrialization, therefore the same amount of vegetation is to be grown to protect planet earth. Chopping trees, uprooting flora is hazardous to environment. He opined, the real moksha comes when we plant trees but not, when we write ramakoti. Later, Sri Ramayya planted 450 plus saplings in the premises of AITS, which were sponsored by Sri Kadhar Valli, Forest Range Officer; Sri Srinivasulu, Ranger, Forest Department, Rajampet. The selfless help and passionate desire of Daripalli Ramayya, to protect human habitat by green coat, are inspiring qualities, said, Sri Choppa Yella Reddy, Vice Chairman, AET; Dr. S. M. V. Narayana, thanked Ramayya for his time on the campus and for his motivation. HODs of various departments, Staff were present during the program.

## A Personality Development Programme by Sri Akella

Sri Akella Raghavendra interacting with students

A Personality Development programme by Akella Raghavendra, IAS Trainer and Motivational Speaker, was organized for the students of I B.Tech on 29<sup>th</sup> March 2018. 'The students should set goals and strive forward to achieve them with self-confidence and letting fear aside' Said, Sri Akella, in his address. He urged all the attendees to lead the life with morals and ethics. Speaking on the occasion, Prof S. M. V. Narayana, Principal, said that "we have to search for victory in our defeats and Sri Akella Raghavendra's life is the example for that". He applauded Sri Akella Raghavendra, for the services he is rendering to the students who are downtrodden and physically challenged and aspiring to get into Government service. He said that the books written by Sri Akella Raghavendra comprise secrets to the students bright future. He advised the students to cultivate the habit of book reading. Sri Choppa Yella Reddy, Vice Chairman said that AITS always strives to give value based education to the students.

## Stanford Innovative Fellowship to students

Students selected for Stanford University Fellowship

D. Deekshitha and Y. Nikhilapranathi, II-CSE and S. Imran Basha and P. M. Himabindu, II ECE, were selected for the Stanford Innovation Fellowship and will attend Stanford university meet in America in the month of November, 2018, said Principal Dr. SMV Narayana on 6<sup>th</sup> March, 2018.

S. Harika, P. Lakshmi Prasanna from III CSE; D.P. Hemasri, L. Sai Sasikala from III ECE, were selected earlier in 2017 for Stanford innovation fellowship and visited "Stanford university" in December 2017. The students got training, on machine learning, Artificial Intelligence, Internet of Things, etc. at Stanford Innovation Center, Stanford University, USA.

## Stanford Innovative Fellowship Success Meet

The University Innovation Fellowship programme of Stanford University, in partnership with Google, was brought to the higher educational institutions in India. The Andhra Pradesh State Skill Development Corporation (APSSDC), in collaboration with Google, conducted internship for those selected as UIFs. S Lakshmi Prasanna and Harika (CSE), Sai Sashi Kala and Hemasree (ECE) attended the programme.

A success meet was arranged in Vijayawada on 1<sup>st</sup> May 2018. Sri Ganta Subba Rao, Principal Secretary; Sri Samba Shiva Rao, CEO and MD APSSDC; Sri Lakshmi Narayana, IAS; and Principal Adviser APSSDC awarded certificates to the participants. Through the course Design Thinking, students can find novel thoughts, start-ups, innovations, solutions for various problems. The parents of the participants thanked the management for giving this opportunity to their children.

Students who completed Stanford University Fellowship programme at the success meet

What we think, or what we know, or what we believe is, in the end, of little consequence. The only consequence is what we do. - John Ruskin

## A Five-Day Workshop on SIEMENS NX Software by APSSDC

Students during the workshop

A five-day workshop was conducted on “SIEMENS NX Software” by APSSDC and SIEMENS for 3<sup>rd</sup> year Mechanical students from 8<sup>th</sup> to 12<sup>th</sup> January, 2018. Mr. Dinesh and Mr. Vimal from APSSDC acted as resource persons for the workshop. Mr. Dinesh threw light on several topics like “Sketching of Robotic and Aeronautic equipment, Modeling, Assembling and Drafting’ in the field. Dr. S. M. V. Narayana, Principal AITS asked the students to participate actively in workshops to enhance your knowledge in various topics. C. Yella Reddy, vice-chairman AITS, Dr. N. Venkata Chalapati, HOD ME, coordinators T. Hari Krishna, D. Vishnu and S. Jameel Basha and staff members were present during the workshop.

## A Three-day Workshop on IoT

Department of EEE conducted a Three day workshop on “IOT Technology” for IV B.Tech EEE students from 6<sup>th</sup> to 8<sup>th</sup> January, 2018. Mr. Devendra, Technical Head & Research Engineer and Mr. Ritesh, Project Engineer, Technolics Bengaluru, acted as resource persons for the event. Mr. Devendra guided students how to operate different equipment using computer system in the field and explained how IOT Technology helps to ease the work with effectiveness. Mr. M. Palaprasad Reddy acted as Convener and Mr. P. Suresh Babu and S. Sarada acted as co-coordinators for the workshop. Dr. M. Padma Lalitha, HOD EEE and faculty were present in the event.

## A Development Programme by Sudheer Sandra

Mr. Sudheer receiving memento from Principal

A personality development programme titled “Know yourself- know your worth” by Sri Sudheer Sandra, was organized by “Touchstone”, Center for English Language Learning, for I B. Tech. students on 23<sup>rd</sup> January 2018. During the programme, Mr Sudheer advised the students to emulate Dr. APJ Abdul Kalam and follow his favorite adage “never becomes a Xerox copy of another’s life. Always lead on original life and don’t lead a pseudo life”. To motivate the students further he narrated the successful stories of Reliance, Vimal Textiles and MRF Company. Mr. Sudheer urged the student friends to follow “Yes I Can” mantra to get success in life. He also dwelt at length on “Fear Factor” and explained several methods to overcome fear. Dr. S.M.V. Narayana, Principal AITS, C. Yella Reddy, vice-chairman AITS, Dr. Bala Nagendra Prasad, HOD H&S, English Faculty members were present during the event.

## A Webinar on Mat Lab and Lab View

A webinar was held on “Short term course on Mat lab and lat view it’s hardware interface” under the aegis of EEE department of AITS from 29 January to 2 February for 5 days . This was organized by “National Institute of Technical Teaching and Research” (NITTR), Chandigarh. The concepts of Matlab and Lab view and Interface with the space were explained in this webinar . 32 teachers from EEE, ECE and ME department participated in this event. O. Hema kesavulu and Mukthiyar Ali acted as coordinator and Co coordinator for this event.

### EDITORIAL BOARD

## APSSDC Awareness Programme on Python Programming

Late Prof. Subramanyam during the inauguration

An awareness programme on Python programming was arranged on 17<sup>th</sup>, 18<sup>th</sup> and 19<sup>th</sup> February 2018 by APSSDC. This awareness programme sensitized the participants with better employment opportunities and the usage of IOT applications, said Dr. Subramanyam. Dr. M. Rudra Kumar, Head, Department of CSE asked the students to make use of this opportunity to learn the coding processes related to python programming. Mr. S. K. Badulla and Mr. Satyanarayana from APSSDC acted as resource persons and explained the programming concepts in Python Language. Students from CSE, IT and MCA participated in this programme.

## APSSDC Workshop on Android

Participant receiving certificate from the Principal

A three-day workshop on Google Android Developer Fundamentals was organized by Dept. of CSE department from 5<sup>th</sup> to 7<sup>th</sup> April 2018, Mr. T. Munaiah and Mr. Krishna from APSSDC were invited as resource persons. Dr S. M. V. Narayana, Principal, AITS stressed on the importance of Google Android in the valedictory session. Dr M Rudra Kumar, Head, Dept. of CSE; Dr K Prasanna, Head, Dept. of IT spoke about the role of students in developing Google Android Apps. T. Hari Krishna and J. Maruthi Prasad, Coordinators of APSSDC and students of III B. Tech (CSE & IT) were participated in the event.

## A Two-day workshop on Industrial Automation using PLC'

'A Two-day workshop on Industrial Automation using PLC', was conducted by Department of ECE on 10<sup>th</sup> March, 2018. Mr. B. Senthil Kumar, Technical Head, S.S.K. Delta Design Engineering Pvt. Ltd, was the resource person of the workshop. "Majority of the jobs in the present day, require knowledge of 'Programmable Logic Controllers', hence, undertaking this course is must, said, Mr. Senthil Kumar. Working with machines and tools based on Programmable logic controllers, is comfortable to the people, as they emit less radiation, added, the resource Person. "Everything in the universe has an order; nature has solutions for every problem, therefore, we should develop an outlook to derive what we want from nature, said, Dr. S. M. V. Narayana, Principal, AITS, in his address. Dr. Ch. Nagaraju, Head, ECE, urged students to make use of the workshop to improve their knowledge, he assured students, this sort of workshops, will be conducted round the year for students benefit.

**Twenty years from now you will be more disappointed by the things that you didn't do than by the one you did – Mark Twain**

## A Two-day Workshop on Interfacing of 8051 Micro Controllers

Mr. Narayana Raju, EMWear Technologies, conducting workshop

A Two Day Workshop on “Interfacing of 8051 Micro Controllers” was conducted by Department of EEE on 10<sup>th</sup> March, 2018. Mr. Narayana Raju, EMWear, Technologies Pvt. Ltd., Bangalore, was the resource person of the workshop. Functionality and applications of Micro Processor and Controllers, were discussed on 1<sup>st</sup> Day of the Workshop, Students worked on the workshop kits to learn programming of the software on the 2<sup>nd</sup> Day. A lot of electronic gadgets, work on micro controllers, hence knowledge of micro controllers, is handy on the job front, said, Mr. Narayana Raju. Dr. M. Padmalalitha, Head, EEE; Mr. Pala Prasad Reddy convened the proceedings at the Workshop; Mr. O. Hema Keshavulu, Coordinator ISTE Student Chapter, Staff were present during the workshop.

## A Guest Lecture on VLSI Design Processing

A Guest Lecture on “VLSI Design Processing” was organized for III & IV B. Tech ECE students on 2<sup>nd</sup> January, 2018 by Department of ECE. Dr. Shaik Rafi Ahamed, IIT Guwahati, acted as a resource person for the event. Dr. Shaik stressed the importance of VLSI Designing in industry using various examples related to the field and asked the young engineers to excel in VLSI to increase employability skills as it is highly competitive world. Dr. Ch. Nagaraju, Head, ECE; Prof. B. Abdul Rahim, In-charge Professional Bodies and faculty were present on the occasion.

## A Two-day National Symposium “NC’e TIMES#1.0”

Proceedings of the conference being released

A Two-day National Symposium “NC’e TIMES#1.0” was conducted on 14<sup>th</sup> and 15<sup>th</sup> March, 2018 by Department of ECE. Dr. S. Chandra Mohan Reddy, Associate Professor, JNTU College of Engineering, Pulivendula, was the Chief Guest. ‘Controlling Resolvers, Syncros and Motors using microcontrollers is the potential area of research in the discipline, present days’ opined, Dr. Chandra Mohan Reddy. “One should be inclined to update one’s knowledge in writing papers with quality and ensure that, the paper is plagiarism free”, added, Dr. S. Chandra Mohan Reddy. A total of 110 research papers were presented by students and staff from different parts of the country, stated, Dr. Ch. Nagaraju, Head, ECE. Dr. Abdul Rahim acted as Program Chair of NC’e TIMES#1.0. Dr. S. M. V. Narayana, Principal; Deans; HODs; were present. Dr. P. B. Chennaiah, Associate Professor, EEE; Mr. O. Hema Keshavulu, Associate Professor, EEE; Dr. S. Fahimuddin, Associate Professor, ECE, helped in the organization of the event.

## A Two-day Workshop on VLSI Design Methodology

A Two-day workshop on VLSI Design methodology was held for the benefit of III B. Tech ECE students on 26<sup>th</sup> & 27<sup>th</sup> February 2018 by the department of ECE. Mr. Yadlapati Avinash, Senior director, Mirafra Technologies was invited as the resource person. He explained elaborately about the VLSI Circuits and Xilinx Tool. Dr. Ch. Nagaraju, Head, Dept of ECE, Dr. Abdul Rahim, S. Bala Dasta Giri, S. Nazeer Hussain, and other faculty participated in the workshop.

**First they ignore you, then they laugh at you, then they fight you, then you win. - Mahatma Gandhi**

## Awareness Programme on Engineering and Pharmacy Education

Sri C. Gangi Reddy, Founder, delivering his address

A Series of Awareness programmes on Engineering and Pharmacy Education were organized in Hotel Saptagiri Anantapuram; AP Tourism Hotel Kurnool; Hotel Sindhura Residency Ongole; Hotel Bhavani Residency Nellore and Mayura Gardens Kadapa on 7<sup>th</sup> January, 2018.

In these events Dr. C. Keshavachandra, Principal, Government Polytechnic College, Anantapur, Prof H. Sudershan Rao, JNTUA, Anantapur were the chief guests at Hotel Saptagiri Anantapuram.

Prof G. Jayachandra Reddy, Principal YSR Engineering College, Proddoor at AP Tourism Hotel Kurnool and Mr. Y. Rammohan Rao, Principal Government Polytechnic College, Nellore at Hotel Bhavani Residency Nellore, were acted as guest speakers.

Mr. P.H.G. Krishna Raju, Educationalist, Ongole at Hotel Sindhura Residency Ongole and Prof. G. Jayachandra Reddy, Principal YSR Engineering College, Proddoor at Mayura Gardens Kadapa were chief guests for the event.

Parents thanked Sri C. Gangi Reddy, Honorary Secretary AET, Sri C. Yella Reddy, Vice- Chairman AET and Sri C. Abhishek Reddy, Executive Director AET for organizing the events helpful to parents and students.

## Women's Day celebrated

Mrs. Vasantha Kavitha, delivering her address

Marking International Women's Day celebrated globally, to recognize and cheer the social, economic, cultural and political triumphs of women, AITS hosted, Women's Day Celebrations on the campus on 8<sup>th</sup> March, 2018. Mrs. Vasantha Kavitha, Founder, K. C. Reddy Foundation, Bangalore, consented to be the chief Guest of the event. Addressing students, Mrs. Vasantha Kavitha, said, "Education is the only way to empowerment of women, hence all girl students should take an oath to educate them and educate the women around". "Percentage of girls in schools and colleges, is declining at alarmingly low rate in Kadapa district, hence Government has brought the district under the scanner of "Beti Bachao Beti Paddao" said, Guest of honor Smt. P. V. Sandya, President, Aarthi Homes. She later urged everyone "to alert the government officials to save a girl child, if they suspect any danger for the life of female infant or fetus". Sri Choppa Gangi Reddy, Founder, AET, said, "boys and girls should be treated equally, for rights and privileges, if a woman is educated, she ensures all others in the family are educated". Mrs. M. Praveena, Convener, Women Empowerment Cell, looked after the conduct of the event.

## A Guest Lecture on Brain Computer Interface

A Guest Lecture on "Brain Computer Interface" was organized by Department of ECE for III B. Tech. students on 9<sup>th</sup> February 2018. Prof. M. Rama Subba Reddy, IIT, Madras was invited as the resource person of the event. He clearly explained the students about how human brain can be interfaced with electronic gadgets or machines and can be controlled. Prof. Abdul Rahim, Coordinator, Professional Bodies, said that such guest lectures would help students to explore their latent potentials and intelligence. Dr. Ch. Nagaraju, Head, ECE department advised the students to avail such opportunities to enhance their knowledge.

# Students placed in Infosys

A whopping number of 30 students from AITS, Rajampet, got placed in the technology giant, Infosys Pvt. Ltd on 17<sup>th</sup> March, 2018. Sri C. Gangi Reddy, Founder, AITS, congratulated the selected, and appreciated the efforts of Staff and Students. Mr. K. Srinivasa Rao, Placement Officer, AITS, thanked management for their support in offering training students and making them industry ready. Dr. S. M. V. Narayana, Principal, AITS; Sri Choppa Yella Reddy, Vice Chairman, AET; congratulated the selected students.

## Recruitment by QSpiders

Q spiders, Bangalore, conducted a recruitment drive for final year Civil, EEE, Mechanical, ECE, CSE, IT and for the final year MCA, students on the campus on 21<sup>st</sup> March, 2018. Mr Likith, Head, HR, Q Spiders, Bangalore, conducted online exam, Group Discussion, Technical Interview followed by HR round as part of the recruitment. A total of 15 students were selected, said, Mr. K. Sreenivasa Rao, Placement Officer.

## Recruitment by Aliens Group Pvt. Ltd

A campus drive was conducted by Aliens Group, Hyderabad for the final year students of Civil, EEE, ME, ECE, CSE and IT, on 14<sup>th</sup> April 2018. As a part of first round of the recruitment, Group Discussion was conducted and 47 students promoted for technical interview. Mr. Sri Sandeep, HR from Alien's Group, announced that, 17 students secured jobs.

## Recruitment by SL Corporation

A campus recruitment drive was conducted by SL Corporation, Chennai, on 18<sup>th</sup> April 2018. Final year students of EEE, ME, ECE appeared for the interview. Mr. Mahendranath and Mr. Lakshmikanth announced the results, that 40 members out of 108 students secured jobs. Prof. S. M. V. Narayana, Principal AITS; K Srinivasa Rao, Placement Officer, appreciated the selected students.

## Recruitment Drive by Centurion

Centurian company conducted campus interviews for final Year EEE, and II MBA students on 11<sup>th</sup> April 2018. Students were selected for HR round through online test, and technical rounds. Representative of Centuraian company Sri Harinath garu declared the results of interview. Prof. S. M. V. Narayana, Principal AITS; K Srinivasa Rao, Placement Officer, admired at the performance of students and congratulated on their success.

It is hard to fail but it is worse never to have tried to succeed – Theodre Roosevelt

# Campus Recruitment by CYIENT Pvt. Ltd.

HR Manager from CYIENT, conducting pre-placement talk

Cyient Pvt. Ltd., Hyderabad, conducted an on-campus recruitment for Final B. Tech. EEE , ME , ECE , CSE , IT and M. Tech students on 2<sup>nd</sup> February 2018. An online exam was conducted, followed by a technical round. 47 students qualified for technical round touted to be the last round. Speaking on this occasion Principal, Dr. SMV Narayana said that there is nothing that cannot be achieved without grit and gumption. Sri C. Abhishek, Executive Director; K. Sreenivasa Rao, Placement Officer, and other teaching faculty congratulated the students on their achievement.

## Precision Group Recruitment

Students selected for Precision Group

A campus recruitment drive was conducted by Precision Group, Chennai, for B. Tech students (EEE, CSE, ECE & IT) on 11<sup>th</sup> January, 2018. Company HRs Mr. Armugam, and Mr. Prem conducted the drive and selected 22 students for the face to face interviews. 11 students cleared the interviews and got opportunity work in the company. Dr. S.M.V. Naryana, Principal AITS congratulated the selected students and said campus recruitments are mark of student's strength and asked the students to work hard to get selected.

## Recruitment by CPC Diagnostics

A recruitment drive was conducted by "CPC Diagnostics Chennai" for ECE, B Pharmacy & M Pharmacy students of AITS Rajampet on 5<sup>th</sup> January, 2018. Mr. Mohiddin, Manager, CPC Diagnostics and Mr. Anirudh, Assistant Manager CPC Diagnostics conducted interviews for 95 students and selected 25 students for the next round.

## Recruitment by Ram Group

Ram Group, Hyderabad conducted an on-campus recruitment for final year EEE, ME, ECE, CSE, IT and MBA students on 5<sup>th</sup> February 2018. 100 students were selected through an online test. A total of 25 students qualified in the technical round for whom the interviews would be held at Head Office, said Mr. Sasthri, HR Manager from Ram Group.

## Recruitment by Agna Global Solutions

Agna Global Solutions Pvt. Ltd., Chennai conducted an on-campus recruitment drive for IV B. Tech. and Final MCA students on 26<sup>th</sup> February 2018. 170 students succeeded in the online examination. After the final round 117 students secured the jobs, announced Mr. Vinod, Chairman, and Mr. Prashanth, HR Manager.

## Recruitment Drive by Infanion

Infanion, Benagaluru conducted campus recruitment for IV B. Tech. EEE, ME, ECE, CSE and IT students on 3<sup>rd</sup> February 2018, on the campus. An online exam was conducted and 47 students were qualified for technical round, said Mr. Sidhu and Mr. Nazeer HR Managers from Infanion. The final round would be conducted at Head Office of the company, said Mr. K. Sreenivasa Rao, Placement Officer. Dr. S. M. V. Narayana, Principal; Sri C. Yella Reddy, Vice-chairman, AET, and Heads of the Departments congratulated the students on their achievement.

## Indian Patent awarded

Prof. D. Krishna Mohan Raju, Department of Mechanical Engineering was awarded Indian Patent for his invention “A Multi Engine Auto Mobile” (patent no.29971, patent application no. 2849/CHE/2008). The main mechanism of this invention is to increase the mileage of vehicles. A diesel car normally runs 15 to 20km per liter. But by arranging two engines in a car mileage increases to 25 to 30km per liter. This invention is equal to a Hybrid car which worth 20lakh rupees. This arrangement incurs 1 lakh extra price compared with a normal car. But it saves much fuel.

## Doctorate awarded

Mr. S. Harinath Reddy, Assistant Professor of Mathematics, Dept. of Humanities and Sciences, AITS was awarded Doctorate by JNTU Anantapuram for his research on “MHD Free connective heat and mass transfer flow of some Newtonian and non-Newtonian fluids through porous medium” under the supervision of Prof E. Keshava Reddy, Head, Department of Sciences, JNTUA, Anantapuram.

## DST Research Grant

Dr. P. B. Chennaiah, Associate Professor, EEE, and J. Chinna Babu, Assistant Professor, ECE were granted Rs. 15 lakhs by the Department of Science and Technology (DST) for their research project on “Modeling and Analysis of Micro Grid Using Multi Agent System”. Micro Grids and Smart Grids will have high impact and play a pivotal role in supply of electricity. So, through this research supply of electricity can be done without any disruption. Providing Cyber security for Grid System is also a part of this research, said Dr. P. B. Chennaiah, the Principal Investigator.

## International Yoga Day celebrated

To spread the benefits of Yoga, International Yoga Day was celebrated in the Open-air auditorium with full of zeal and enthusiasm on 22<sup>nd</sup> June 2018. All efforts were made to spread awareness about the benefits of yoga in life. The event was organized under the NSS initiative. Yoga practitioners were invited to instruct and guide the participants in performing the Asanas and Pranayam. Experts also explained their importance in daily life. Sri C. Yella Reddy, Vice-chairman, AET; Prof. S. M. V. Narayana, Principal; Dr. L. Obulapathi; NSS Coordinator; Principals of constituent colleges; Coordinators; Heads of the departments; teaching & non-teaching staff as well as students were full of exuberance and participated wholeheartedly to make this event a huge success.

## Annual Parents Meet

A Parents-Meet on the campus on 16<sup>th</sup> March, 2018. Sri. Lakshmi Narayana, DSP, Rajampet; Sri. T. Narasimhulu, CI, Rajampet; Dr. Anand Kumar, forensic expert, were the invited guests of the meet. “Parents should focus on timely monitoring of their wards than earning assets for them”, said, Sri Lakshminarayana, in his address. Regular interaction with their children let the parents take steps to encourage their wards in the desired arena of the ward, added, DSP, Rajampet. “Every problem can be diagnosed by finding the root of the problem and fixing it at early stages”, said, Sri T. Narasimhulu. Later he appealed to parents, that, “special care is to be taken by them to control their children from the unnecessary use of social networking sites, as it triggers unnecessary problems many a times”. Dr. Anand, in his address, quoted “Mother is the first Teacher of a child, Father is the second”, and urged parents to follow the suggestions given by them. Dr. S. M. V. Narayana, Principal, AITS; and Sri.Yella Reddy, Vice- Chairman, AET also spoke on the occasion.
