program – Reg

Sir

In connection to the CRS Out reach programs we received permission from
vontimitta temple TTD EO to conduct visit and interview with the temple priest and officials to
explore the versatility of Vontimitta temple. So that we can broadcast this in our Community
Radio station. A set of 20 to 30 students would like to participate in this event. Hence I request
you to kindly grant permission to conduct this event. On the same day we are planning to visit
Madhavaram to take the interview with the weaver professionals, to study the problems they
are facing, so as to provide engineering solutions.

Thanking You sir

Yours Faithfully
