- All or any of these can be planned in the 3rd year second sem or 4th year.
- To start learning Industry Leading Technologies (Java J2EE, Selenium, python etc)
- To start learning the Industry Leading Domain/Business Knowledge (Retail Banking, Insurance, Capital Markets, Equity Markets, Medical, Travel, Hospitality etc.,)
- To conduct Tech Talks (Ask students to share or socialize the knowledge that they have gained on the above two points)
- To conduct Debates (any trending topic and one group to support and another group to talk on negative sides of it. Example Demonitization, Mobile Phones, Fin Techs Vs Banks etc.,)
- To come up with any of the innovation ideas (Identify the problem and come up with solution. (Examples like RedBus, Paytm, Ola, Swiggy, Flipkart, etc, where there was a problem and they come up the solution and now became famous startups etc.,)
- Article Writings and Blogs
- To start looking at getting certifications (Examples Like, Microsoft Certified, Java Certified, Database Certified, Python Certified)

- Good to know on the emerging Technologies (Machine Learning, Artificial Intelligence, Block Chain, Robotic Process Automation, Big Data Hadoop, Creating Chatbots etc.,)

While sharing his experiences Alumni– Sri. J.Sreedhar Professor, from Hyderabad

Email: sreedharmtech@gmail.com   Contact: 9849007437

Mr. Sreedhar Thanked the management for their enough encouragement in organizing and making the institute in such a high profile. He was fascinated to the tremendous infrastructural developments. He has shown his interest to provide some awareness sessions to our AITS students.

In the pre-lunch session after the opening ceremony, the alumni visited their respective departments. The HODs of each department took them around the various laboratories and other departmental facilities and presented the recent progress and activities. After the presentation, discussion on the future developments ensued and alumni came up with many suggestions regarding the syllabus of courses, laboratory development etc. They also offered their services in the growth of Department.

After lunch, many smaller groups of Alumni, faculty could be seen chatting, singing and sharing memories. The day came to an end with the Closing ceremony. The Alumni Meet closed at a very emotional note. However, everyone appreciated the efforts by the AITS in organizing the Annual Alumni Meet 2018.   Everyone departed with the resolve to visit again and spread the message amongst all who could not visit this time.
