your suggestion for further improvement of the Institute

21 responses

- PLEASE ENCOURAGE THE STUDENTS TO PARTICIPATE IN EVENTS
- INCLUDE SOME ONLINE COURSES Like C# PYTHON IN REGULATION
- I am requesting to add programming languages more
- Encourage the students to participate in every event by the effective speech in order to build up every day
- Students are fear about the talk because of lack of communication
- please provide laboratory hours for practice
- Encourage the students to participate in every event by the effective speech in order to build up their talent
- Give more technical training regarding placements
- I will have been request you, please provide practical knowledge
- Regarding to training & placement activities try to say the importance of c language from 1st year onwards for job
- Encourage students to present and implement their ideas
- Please suspend the classes during cultural activities

your suggestion for further improvement of the Institute

21 responses

- job
- Encourage students to present and implement their ideas
- Please suspend the classes during cultural activities
- Maintain good instruments in the labs those old and not working
- Please provide attendance while participating in any events
- Provide better facilities and infrastructure give holidays for fest weekly once no dress code
- Provide sufficient books in library
- Conduct fest grandly with much enthusiasm
- Please, suspend classes during cultural activities
- we joined here to get placed in a good company but now the good companies are not at all arriving so please bring MNCs to college
- provide more department library books
- Give time to play sports

Annamacharya Institute of Technology & Sciences:: Rajampet(An Autonomous Institution)STUDENT FEEDBACK ON CURRICULUM(2017-18)

167 responses

1. How do you rate the sequence of the courses that you have studied are in sequence to what you have studied in the previous semester?

167 responses

2. How do you rate the syllabus of the courses that you have studied in relation to the competencies/outcomes expected out of the course?

167 responses

3. How do you rate the relevance of the units in Syllabus relevant to the course?

167 responses

4. How do you rate the sequence of the units in the course?

167 responses

5. How do you rate the allocation of the credits to the courses?

167 responses

6. How do you rate the distribution of the contact hours among the course components (L-T-P)?

167 responses

7. How do you rate the offering of the electives in terms of their relevance to the specialization streams?

167 responses

8. How do you rate the electives offered in relation to the Technological advancements?

167 responses

9. How do you rate the relevance of the Text Books and reference books by their International recognition to the Courses?

167 responses

10. Rate the size of syllabus in terms of the load on the student

167 responses

11. Rate the courses in terms of extra learning or self learning considering the design of the courses

167 responses

12. Rate the courses in terms of sequence of offering considering whether the preceding courses have been covered.

167 responses

13. How do you Rate the loading of the courses in a semester?

167 responses

14. How do you rate the evaluation scheme designed for each of the course?

167 responses

15. How do you rate the objectives stated for each of the course?

167 responses

16. How do you rate competencies expected out of the course?

167 responses

17. How do you rate the composition of the courses in terms of Basic science, Engineering science, Humanities, Discipline core, discipline elective, open elective, project etc.?

167 responses

18. How do you rate the percentage of courses having LAB components?

167 responses

19. How do you rate the domain used for designing the experiments for the LAB components?

167 responses

20. How do you rate the experiments in relation to the real life Applications?

Any Suggestions

Placement activities provided by the institute are not sufficient. Experiments in relation to the real life applications are moderate.

It is suggested to conduct inter college research activities and to conduct multi- disciplinary seminars/activities.

It is suggested to bring ICT into the teaching learning process. It is suggested to conduct Industrial visits.

It is suggested to introduce innovative labs.

It is suggested to provide Internet facility to students.

Flexible and choice Based Credit System to learn soft core elective courses, professional elective courses and open elective courses to be offer across the various departments for III and IV B.Tech Students.

Changes in the Curriculum as per the recent Industrial developments.

Introduce each course from Electronics, Communication and Computer Science related courses in Professional and open Elective Courses.

Library and Association Activity hour is to be arranged in the time table. Model Projects for the students.

Incorporate industry related VLSI and Embedded System courses in the curriculum. Refined the course objectives and outcomes stated for all courses.

Impart GATE classes to final year students.
