IEEE-AITS Student Chapter
"Inauguration of IEEE Student Chapter"
By
Dr. Amit Kumar, Secretary, IEEE Hyderabad Section

Date: 27th February, 2012   **Venue: Gallery**

The Institute of Electrical and Electronics Engineers-Annamacharya Institute of Technology & Sciences (Autonomous), Students Chapter was inaugurated on the 27th February, 2012 at Annamacharya Institute of Technology & Sciences, Rajampet which comes under IEEE Hyderabad Section. This Student Chapter is inaugurated with strength of 12 student members and 4 faculty members. The Student Chapter code of IEEE is 09541 and School Code is 60048454.

Prof N. Mallikharjuna Rao, Chapter Counselor hosted the programme and briefed that IEEE is a world's largest professional society and he has invited dignitaries on to the dais for inauguration. He introduced the Chief-guest **Dr Amit Kumar, Secretary, IEEE Hyderabad Section and Keynote Speaker MS Reddy, Head, Resource Management Group, TCS** to the gathering.

Dr. A. Subramanyam, Interim Chairperson student chapter gave his welcome note and he detailed about the professional societies for addressing various issues and how IEEE can act as communication channel for knowledge aspirants in these days.

After inaugurating the Student Chapter, a brief session is taken up by **Dr. Amit Kumar** (Secretary, IEEE Hyderabad Section) on IEEE membership and its benefits, process of enrolments and support and resources available for members at student level and in member grade levels. He brought light to benefits of computer society and how the world is becoming competitive and how students need to maintain an edge over others to sustain and also he stressed about the requirement of Research & Development centers in academia in addition to industries for the growth of nation, which is now purely depending on borrowed technologies which are outdated rather than self innovation. He briefed about the IEEE Vision and Mission to strengthen the activities of student chapter.

Dr. G. Prabhakara Rao Director & Senior Professor in Mechanical Engineering gave a message for students, in what way; the IEEE helps in improving the knowledge skills. He briefed about the institute and how the faculty, staff and management are putting their efforts for the development of professionalism among the students.

Prof N. Siva Rami Reddy, Principal of AITS, **C. Abhishek Reddy**, Executive Director of Annamacharya Educational Trust, expressed their views about IEEE & IEEE student Chapter to the gathering.
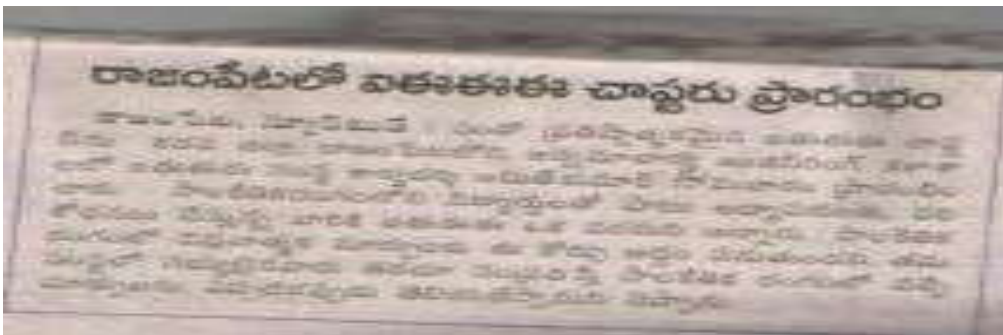

MS Reddy, Head Resource Management Group, TCS Hyderabad has attended in this inauguration session as keynote speaker. He has delivered a lecture on "Challenges in IT Fields" after this he organized interaction session with student in various fields.

The whole session turned out to be more interesting and informative.

A total of 300 students belonging to B.Tech-Electrical and Electronics, Electronics and Communication, Computer Science & Engineering, Information Technology, Mechanical Engineering and Master of Computer Applications students participated. Dr M.Padmalalitha, Head Dept of EEE, Prof B. Abdul Rahim, Head of ECE, Prof M. Subbarao, Head dept of IT and few faculty members of above department have also attended.
