

AITS Alumni 2004-2008 Batch Decennial Celebrations

A Report on AITS Alumni 2004-2008 Batch

Decennial Celebrations

2004-2008 batch AITS Alumni planned to organize a Get Together in AITS campus on 28th and 29th of April 2018. In this view they had approached to AITS Alumni Association through mail with a request letter. AITS Alumni Association with the consent and support from the Principal AITS organized the Get Together of 2004-2008 batches in the form of the Alumni Decennial celebrations on the above mentioned dates at AITS campus.

At about seventy Alumni attended the function. They have also invited their Teachers who taught them subjects during their Engineering days. About thirty five teachers attended the Get Together function. At the outset the meeting part is conducted followed by the memento distribution to the Principal, Teachers and to

the Management. Followed by the Lunch and then the campus visit. In the meeting, addressing to the Alumni, Principal memorized his college days and the get together organized. Principal asked the Alumni to have look to the developments that have taken place in our college like the laboratories the class rooms the library and the other infrastructure. Sri C. Yella Reddy garu, Vice Chairman, AET addressing to the gathering expressed his happiness for organizing such a nice event. He congratulated the Alumni and the Alumni Association for taking initiative steps to organize this event.

Sri. K.Prasad, AITS Alumni coordinator addressing to the Alumni, thanked all the Alumni members, Alumni coordinators, principal and the management for providing their support in the successful conduct of the get Together. He said that every year on second Sunday of the December AITS is organizing the Annual Alumni meets. But this 2004-2008 batch decennial celebration is the first of this kind organized in AITS.

AITS Alumni association collected the feedback from the attended Alumni. Alumni friends interacted to each other and shared their experiences. In their experiences the following are the points discussed.

Alumni said that we are strong enough in the technical knowledge what an industry is expecting but we need to improve the communication skills of the students.

They said that we are interested and planning to organize Awareness programme to our students about the placements and the career development.

They provided a suggestion stating that many of the students are searching and trying to get the industry skills after the completion of the graduation. Instead of that it will be benefited for them if we arrange internship programs in the college.

Alumni who have attended to the meet are of in different cadres like Project Lead, DSP, Income tax officer, Industry Promotional officer etc...

Head of the departments, Professors, and other faculty members are present.

GLIMPSES OF GET TOGETHER
