Graduation Day of the First Batch of Engineering Students

Prof. K. Lal Kishore, Hon' Vice Chancellor, JNTUA, presenting provisional certificate

Sri C. Gangi Reddy, delivering his address during the ceremony

Graduation Day for the First batch of engineering students under autonomous status was celebrated in a grand style on 4th June, 2015. More than 500 first batch students of AITS have received their B. Tech degrees.

Prof. Lal Kishore, Honorable Vice-Chancellor JNTUA Ananthapuramu attended as the Chief Guest and gave away the certificates to all the students. On this occasion Prof. Lal Kishore has appreciated the management of Annamacharya Educational Trust for providing quality engineering education since 1998. He said “today is the celebration of hard work with focus, determination and discipline. Your teachers have done their best to help you by encouraging and motivating you to perform well and achieve the end result. Your parents have made many sacrifices in the last few years and provided you with the enabling environment at home, moral and financial support to help you succeed.”

Advising students he continued “It is not enough to simply try and get by in life—that does not move the world forward—you must strive to excel in everything you do—excellence in every task, large or small. Our country needs your input and you must at every stage of your life play

your part in the building of this great nation.”

Sri. C. Gangi Reddy, Founder, Annamacharya Educational Trust began the function with a welcoming address. He congratulated the entire candidate graduating from AITS. Addressing the gathering he said, “I wish to remind the graduands that even as you go out education is endless. You have to gather new skills and knowledge keep abreast of new developments in the job market.”

Dr. S.M.V. Narayana, Principal, AITS presented the institute report and conveyed his wishes to all the candidates on this occasion. He said, “Now-a-days, a graduate is one who can communicate well in English, has a good ethical and moral grounding, is knowledgeable about the society in which he or she lives, is literate and numerate, can think critically and is prepared for lifelong learning and performs his or her role as a good citizen. And I hope you would become true graduate.”

Sri. C. Rama Chandra Reddy, Chairman, AET; Sri Yella Reddy, Vice-chairman, AET; Sri Abhishek, Treasurer, AET; Prof. Prabhakara Rao, Director, AITS and Heads of the Departments shared the dais.

AP Skill Development Centre inaugurated

Faculty and students witnessing the inauguration online

Andhra Pradesh Skills Development Centre was formally inaugurated online by Honorable Chief Minister Sri N. Chandra Babu Naidu on 19th January. AITS is among the 17 colleges chosen for this honor across the state.

Mr. C. Abhishek, Treasurer, AET, said that the JKC Center of AITS has already earned the distinction of Star Status and establishment of AP Skill Development Centre is yet another honor for the institute. He promised that the institute will create unique opportunities for the students to learn new skills.

The center organized a workshop on Mobile Application Development from 9th January to 19th January for the students from across the state. The First Aid and Safe Drive apps developed by AITS Students were selected for the honor of best applications and were demonstrated before the Chief Minister, Sri. Chandra Babu Naidu.

Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; Mr. C. Yella Reddy, Vice-chairman, AET; and Dr. A. Subramanyam, Dean expressed their happiness over this achievement.

CAREER 360 Magazine Ranking

Career 360, one of the most popular magazines on education, released the list of top 100 engineering colleges in the state of Andhra Pradesh. The list began with AAAA rating and continued with AAA+, AAA and AA+. Annamacharya Institute of Technology and Sciences, Rajampet, is given AAA rating by the magazine. AITS is the only college from Kadapa District that was included in the list of top 100 colleges in the state of Andhra Pradesh.

Prathibha Awards 2014

Department of Higher Education, Government of Andhra Pradesh presented Prathibha Awards 2014 for meritorious students.

These awards were given away in the presence of Honourable Chief Minister Sri. N. Chandrababu Naidu. R. Vengamma, B. Rajeswari, M. Varsha, M. Manasa, S. Sangeetha and D. Ravi Kumar received this coveted award for their excellence in studies. The recipients of the award from the college said the world class facilities provided at college, teaching by experienced faculty members, and support and encouragement by management aided them towards this accomplishment. Mr. C. Gangi Reddy, the Founder; Mr. C. Yella Reddy, Vice-Chairman; Mr. C. Abhishek Reddy, Treasurer; Prof. G. Prabhakara Rao, Director; and Prof. S. M. V. Narayana, Principal, AITS congratulated the recipients.

2nd National Level Symposium on Computing and Management

Sri C. Gangi Reddy, the Founder, delivering address

Department of MBA and Department of MCA jointly organized 2nd National level Symposium on Computing and Management on 11th April 2015.

Mr. Sudhakar, Chairman, IEEE Hyderabad Section; Mr. S. Sundar Ram, Regional Head, Sample Survey Organization; Mr. Anand Babu, Cap Gemini, Bangalore and Mr. T. Narayana Reddy from JNTUA Anantapuramu graced the inaugural function of this symposium. Sri C. Gangi Reddy, the Founder, speaking on the occasion, appealed to the students to inculcate soft skills to be successful in their profession. Dr. G. Prabhakara Rao, Director AITS; Dr. S. M. V. Narayana, Principal and Dr. M. Rajesh, Head, Dept. of MBA also spoke to the participants.

NC'e-TIDES 2015

Sri C. Gangi Reddy, the Founder, addressing the gathering

Department of ECE, in association with IE(India), organized a two-day national conference, NC'e-TIDES 2015, on 27th & 28th March 2015. R. Bhasha, Chairman, IE(India) Kadapa Center was invited as the Chief Guest for the Preconference Tutorial. Mr. N. Mohammad Asif, Application Engineer, Starcom Information Ltd. acted as the resource person for the Tutorial and he explained the functions of Beagle Board, a low-power open-source hardware single-board computer produced by Texas Instruments. Sri C. Yella Reddy, Treasurer, AET was the Special Guest for the inaugural function of the Preconference Tutorial.

Dr. R. V. S. Sathyanarayana, S. V. University, Tirupathi, was invited as the Chief Guest for the inaugural function of the Conference on 28th March 2015. He urged the scholars and students to maintain quality and originality in their research. Sri C. Gangi Reddy, the Founder, felt that students will enhance their technical knowledge by participating the conferences and seminars of this kind. Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal and Prof. B. Abdul Rahim, Chairman of the Conference also spoke. Mr. K. Karthik, Manager Project, EC Cube, Bangalore, Dr. G. S. Kondanda Ramaiah, Head, KEC; and Dr. Vishnu Vardhan, JNTU Pulivendula acted as Judges for the sessions. 92 research papers were selected out of 400 papers submitted. Mr. K. Srinivasa Rao, Convener; S. Fahimuddin and C. Venkatesh were also present.

Women's Day Celebrations

Mrs. T. Swarnalatha addressing the gathering on the occasion

Women Empowerment Cell grandly celebrated 104th Women's Day on 8th March, 2015. Smt. T. Swarnalatha Devi, Nutritionist, Krishi Vidyan Kendra, Kadapa, was invited as the Chief Guest on the day. Dr. M. Padmalalitha, the Convener, Women Empowerment Cell; and Dr. G. Prabhakara Rao, Director, AITS shared the dais.

ISTE Workshops

A Two-week Short Term Training Program on Environmental Studies was organized, in association with ISTE, from 2nd June 2015 to 12th June 2015 through video conferencing. Dr. D. V. Ravi Kumar, Assistant Professor in Chemistry, acted as workshop coordinator.

A Two-week Short Term Training Program on Introduction to Design of Algorithms was conducted, in association with ISTE, from 25th May 2015 to 30th May 2015 through video conferencing. Mr. G. Surya Narayana, Assistant Professor, Dept. of CSE, acted as workshop coordinator.

A Two-day National Seminar on Recent Developments in Applications of Mathematics in Science and Engineering

Prof. Sathyaji Roy, the Keynote Speaker, being felicitated

A Two-day National Seminar on “Recent Developments in Applications of Mathematics in Science & Engineering” was organized by the Department of Humanities and Sciences on 10th & 11th January 2015.

Prof. Sathyajith Roy, IIT, Chennai, delivered the Keynote address. Sri C. Gangi Reddy, Honorable Secretary, Annamacharya Educational Trust, opined seminars of this kind are the need of the hour for broadening our knowledge and to propel further to be abreast of things happening.

Dr. G. Prabhakara Rao, Director, said that technology and science are dependent on Mathematics and its applications are crucial to develop new technologies. Dr. S. M. V. Narayana, Principal, said that teaching is more than imparting knowledge. It should be aimed at inspiring change. He added learning is not just absorbing facts, it is acquiring understanding and transforming it to knowledge. Dr. M. C. Raju, the Convener, felt that the collective deliberations will enrich the participants and enable them explore new domains of applications in the field of Mathematics.

A total number of 153 papers were received out of which 71 papers were selected for presentation during the two day seminar.

Workshop on Car Designing

Mr. Immanuel Nicosia interacting with the students during the workshop

Mr. Immanuel Nicosia, a famous car designer from Italy, conducted a workshop titled “Automotive Designing and Styles” for Mechanical Engineering students from 10th January 2015.

In this workshop, introduction to Automotive Design and Process, Package and Car Segments, Car Architecture, and Common Platform case study were explained elaborately by Mr. Immanuel Nicosia, involving the students in interaction.

Modern concepts in designing a future-ready car that is pollution free were discussed in the workshop. Also, Mr Nicosia tried to demonstrate car segments, design of sedan cars and interior and exterior design of a car.

Mr. C. Gangi Reddy, the Founder; Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal and Prof. N. Sivarami Reddy, Head, Dept. of ME spoke at the valedictory ceremony.

Workshop on Teaching in Engineering by the Use of Information and Communication Technologies

A fortnight workshop on “Teaching in Engineering by the Use of Information and Communication Technologies” was conducted by ISTE through video conferencing from 5th January 2015.

Prof. Sreedhar Ayyar and Prof. Shana Murthy, IIT, Mumbai acted as resource persons for the training programme. 33 engineering faculty members from the neighbouring colleges participated in the workshop. Prof. M. Subba Rao, Head, Dept. of IT, coordinated the event. K. Ramana, Assistant Professor, IT, was the remote center coordinator.

Sports and Cultural Day Celebrations

Sri C. Gangi Reddy, the Founder, giving away trophies to the winners

17th Sports and Cultural Day was celebrated on 31st March 2015. A display of dancing skills and athletic skills, along with loads of fun and excitement, marked the celebrations. Sri Choppa Gangi Reddy, the Founder of Annamacharya Educational Trust, was the chief guest for the celebrations. Sri Abhishek, Treasurer of Annamacharya Educational Trust, Sri Yella Reddy, Vice-Chairman of the Trust attended the celebrations as special guests. Dr. G. Prabhakara Rao, Director, AITS; Dr. S. M. V. Narayana, Principal, AITS, also spoke on the occasion.

Various games, including cricket, volleyball, basketball, ball badminton, caroms, chess and athletic events were held earlier. A number of events, including dances, singing competition, fancy dress competition and sports and games have been conducted for teachers. Prizes to the winners of these events were given away on the day by the distinguished guests.

Following the prize distribution, students took to the stage for a scintillating dance performance depicting the incarnations of Lord Vishnu. Several sizzling dance performances followed. Prof. M. Subba Rao, Coordinator of Cultural Association looked after the conduct of this grand event.

A Two-day Workshop on VDMMGT

Mr. K. Suresh Kumar, Trident Tech Labs, being felicitated

Trident Tech Labs, Hyderabad, conducted a training programme on VLSI Design Methodology using Mentor Graphics Tool on 27th and 28th January for the benefit of teachers, scholars and students. This training programme was hosted by IE(India) Student Chapter of the college.

Mr. K. Suresh Kumar, Assistant Manager (Technical), Trident Techs Labs, attended as the Chief Guest for the inaugural session. He explained in detail the importance of this graphics tool and the method of using it. Dr. Narayana, the Principal, also addressed the audience during the inaugural session. Prof. Abdul Rahim, Coordinator of IE (India) Student Chapter also spoke. Mr. K. Sreenivasa Rao, Convener of the event, Mr. M. Bala Dastagiri and Mr. J. Chinnababu discharged the duties of Coordinators.

Republic Day Celebrations

Republic Day 2015 was festively celebrated on 26th January 2015. Staff and Students of the constituent colleges on the campus gathered in the ground to salute the three-coloured flag. Dr. C. Rama Chandra Reddy, Chairman, Annamacharya Educational Trust, enjoyed the honour of hoisting the flag on the day. Dr. S. M. V. Narayana, Principal, AITS; Dr. P. Chittibabu, Principal, APGCCS; Dr. C. Gopinath, Principal, ANCP, Dr. B. Jayarami Reddy, Principal, ANCE and Mr. Ramesh Reddy, Principal, RCE graced the occasion with their presence. In the meantime, the Chairman gave away the prizes to the winners in the Republic Day Competitions.

An Awareness Programme on Entrepreneurship

Mr. G. Gopal, GM, DIC, addressing the students

An awareness campaign on Entrepreneurship was conducted on 18th March 2015 for the benefit of final year B. Tech. M.B.A. and M.C.A. students. Mr. G. Gopal, General Manager, District Industry Center, was invited as the Chief Guest. While addressing the students, he said that a country can develop only when industrial sector of the country is improved. He urged the students to be aware of the market before entering business. Mr. Sri Nagesh, Senior Manager, Syndicate Bank, also addressed the students and explained the loan facilities being offered to entrepreneurs by banks. Mr. A. Chandrasekhar Rao, E.P.O. of Rajampet, also spoke. Dr. G. Prabhakara Rao, Director, AITS; Dr. Narayana, Principal, AITS; Mr. C. Yella Reddy, Vice-chairman, AET; Prof. Madarvalli and Dr. M. Rajesh also attended the programme.

NSS Special Camp

The NSS Unit of AITS organized a special camp in New Boyanapalli from 30th March to 5th April 2015. Dr. S. M. V. Narayana, Principal, AITS, graced the inaugural function of the special camp. Dr. L. Obulapathi, NSS Program Officer, thanked the college management for their support.

Road Safety Awareness Programme

Mr. M. Damodar Naidu, MVI, receiving memento

Every two seconds, a road accident takes place, and every four seconds a person dies due to a road accident, somewhere in the world. These figures were given out by the Motor Vehicle Inspector Mr. M. Damodar Naidu at a student awareness programme on road safety on 21st January 2015. Damodar Naidu, in his presentation, pointed out that 40 per cent of the fatalities in accidents concerning two-wheelers are due to not wearing of helmets. Dr. S. M. V. Narayana, Principal; and Mr. C. Yella Reddy, Vice-chairman, also spoke.

Personality Development Training by Yandamuri

“Dream your future and materialize it” said Yandamuri Veerendranth, famous fiction writer and personality development trainer in a two day training programme on “Personality Development” on 8th & 9th January 2015. He urged the students to dream, to set goals and try to reach them with systematic planning and hard work. According to him, every student is grateful to his parents. Sri Veerendranth was felicitated by Dr. G. Prabhakara Rao, Director; and Dr. S. M. V. Narayana, Principal.

A Two-day Workshop on Quadcopter

Participants with the quadcopter

A Two-Day Workshop Quadcopter was conducted by Times Global Com Institute affiliated to IIT-ECL on 15th March 2015 for EEE, ME, and ECE students.

The students learnt about the components required to build a quadcopter, assembling and flying a quadcopter, and its functionality. Also, competitions were held at the college for the registered students and the qualified were given an opportunity to participate in national level competitions held at IIT, Delhi, in the month of April. Mr. Amith Mishra, Mr. Abhay, Mr. Chandra Mohan and Mr. Yeswanth from Times Global acted as resource persons.

Prof. N.Sivarami Reddy, Head, Dept. of ME; Prof. M. Padmalalitha, Head, EEE; Prof. Abul Rahim, Head, ECE; and other staff attended inaugural session.

Sri Choppa Yella Reddy, Vice-chairman, AET thanked Times Global Com for training the students and he added that a few programs of this kind would enhance the knowledge of the students.

Rangoli Competitions

AITS Cultural Association, conducted Rangoli competitions to the students as part of Pongal celebrations on 8th January 2015. Large number of students showed their interest to participate in this event. P. Nageswari, III EEE bagged the first prize, G. Ganga Bhavani, IV ECE; P. Naveena, I M.B.A secured second and third prizes respectively. Prof. M. Subba Rao, In-charge, Cultural Association of AITS, coordinated the conduct of the event.

Foreign Delegates visited

Sri C. Gangi Reddy, the Founder, with the foreign delegates

Prof. Asmelash Abraham Mengistu, from Ethiopia, visited the college on 19th February 2015 as part of his visit to reputed engineering institutions in India. Along with Prof. Mengistu, Prof. Krishnamurthi, Dept. of M.B.A., JIGJIG University of Ethiopia, also visited the campus. The Ethiopian delegation observed the infrastructural facilities, laboratories, hostels, and library and expressed their satisfaction. Sri C. Gangi Reddy, Honorary Secretary, AET, thanked the delegates for visiting the campus.

Best Paper award at IMRF World Research Congress 2015

Dr. L. Hari Krishna, Assistant Professor of Mathematics in H&S Department, AITS presented a paper on "Hall Current Effects on Unsteady MHD Flow on a Rotating Parallel Plate Channel Bounded by Porous Bed on the Lower Half-Darcy Lapwood Model" in IMRF World Research Congress 2015, Thailand. The international conference was organized by International Multi-disciplinary Research Foundation at Pattaya in Thailand from 25th May to 29th May, 2015. Dr. L. Hari Krishna was honored with the best research paper award.

Faculty Excellence - PhD Awards

Dr. S. Asif Hussain

Mr. Asif Hussain, Assistant Professor, Department of ECE, was conferred on Doctor of Philosophy by Jawaharlal Nehru Technological University, Anantapur, for his research titled "A Novel Approach for Medical Image Reconstruction for Cancerous Legion Detection". His research was supervised by Prof. D. Satyanarayana, Head, RGM College of Engineering, Nandyal.

Dr. N. Mallikarjuna Rao

Prof. N. Mallikarjuna Rao, Head, Department of MCA, was conferred on Doctor of Philosophy by Acharya Nagarjuna University, Guntur, for his research titled "Sliding Window Algorithm for improving Throughput of Mobile Switching Centers in Global System for Mobile Communication Networks". His research was supervised by Prof. M. M. Naidu, Retd. Professor, Department of CSE, Sri Venkateswara University, Tirupati.

Dr. B. Bala Nagendra Prasad

Mr. B. Bala Nagendra Prasad, Assistant Professor of English, Department of Humanities and Sciences was conferred on Doctor of Philosophy by Jawaharlal Nehru Technological University, Anantapur, for his research titled "Thematic Concerns in the Novels of Bhabani Bhattacharya". His research was supervised by Prof. M. A. K. Sukumar, Emeritus Professor of English, Sri Venkateswara University, Tirupati; and Dr. V. B. Chitra, Assistant Professor of English, JNTUA.

Dr. L. Obulapathi

Mr. L. Obulapathi, Assistant Professor of Physics, Department of Humanities and Sciences, was conferred on Doctor of Philosophy by Jawaharlal Nehru Technological University, Anantapur, for his research titled "Studies on thin films: Synthesis and Characterization of Copper Chromium Oxide thin films by Reactive DC Magnetron Sputtering Method".

Dr. V. Ravi Kumar

Mr. V. Ravi Kumar, Assistant Professor in Mathematics, Department of H&S, was conferred on Doctor of Philosophy by JNTUA, Anantapur, for his research titled "Study on MHD convective through Heat and Mass Transfer flow past a vertical porous plate". His research was supervised by Dr. M. C. Raju, Head, Dept. of HS, AITS; and Prof. G. S. S. Raju, JNTUP, Pulivendula.

Dr. G. Vinit Kumar

Mr. G. Vinit Kumar, Assistant Professor, Department of CSE was conferred on Doctor of Philosophy by Calorx Teachers University, Ahmedabad, Gujarat, for his research titled "Advancements of Artificial Neural Network Algorithm for Intrusion Detection in Computer Network". His research was supervised by Prof. Y. Vijayalata, GRIET, Hyderabad.

Students receiving certificates from Sri C. Yella Reddy

N. Naga Sireesha and K. Rama Devi, studying I EEE, won first prize for their presentation on “Engineering Materials” at ‘Photon15- a launching pad for engineering freshmen’, a student symposium organized by Madanapalli Institute of Technology and Sciences, Madanapalli. In the same event, G. Gayathri and R. Amrutha Priya, of I EEE, won second prize for their presentation on “Micro and Nano Sensor”.

Guest Lecture on Advanced Concepts in Data Mining

Department of IT, in association with Institution of Engineers (India), conducted a Guest Lecture on Advanced Concepts in Data Mining on 23rd March 2015.

Prof. R. B. V. Subramanyam, NIT Warangal, explained the important concepts in Data Mining to the 60 registered students from various colleges. Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; Mr. C. Yella Reddy, Vice-Chairman, AET; and Prof. M. Subba Rao, Head, Dept. of IT felicitated the resource person in a grand way.

Students receiving certificates from Dr. Prabhakara Rao

G. Gayathri and R. Amrutha Priya, I EEE, were awarded second prize for their presentation on “Ecofriendly Fuels” at ‘TechBloom 2015’ organized by Sri Venkateswara College of Engineering, Tiruapti. The prize winners were congratulated by Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; Prof. M. Padmalalitha, Head, EEE; and Dr. M. C. Raju, Head, Dept. of H&S.

Students receiving certificates from Dr. GPR and Dr. SMV

Amrutha studying III CSE won first prize in singing competition as part of Ashwe-15, organized by Madanapalle Institute of Technology and Sciences. Saikumar won third prize in singing. Maneesha and Harika won third prize in dance competitions. Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; Prof. M. Subba Rao, In-charge, Cultural Association congratulated the prize winners in cultural activities.

FOOD FOR THOUGHT

**If you can't fly, then run; If you can't run, then walk;
If you can't walk, then crawl;
but whatever you do, you have to keep moving forward.
- Martin Luther King**

Recruitment Drives (January-June 2015)

Bosch Online Test

Students appearing for online exam

Bosch, conducted an online examination as part of its campus recruitment drive for 2015 undergraduates on 12th May 2015. More than 100 students appeared for the exam and the qualified students attended interview at Bosch, Hyderabad. Mr. Vinay Singh, Co-cubes Consultancy, visited the campus to conduct the examination. The management members of the college expressed their happiness over the recruitment. Mr. K. Srinivasa Rao, Placement Officer, coordinated the event.

FACE Campus Drive

Candidates listening to the experts from FACE

Focus Academy for Career Enhancement, Chennai, conducted a recruitment drive on 8th April 2015 for the final year engineering and management students. Mr. Harish and Mr. Narendran from FACE conducted this drive. Among the 200 students that took the test, 13 students were appointed by the company. Mr. Abhishek, Executive Director of AET; Dr. Prabhakara Rao, Director of AITS; Dr. Narayana, Principal of AITS; and Mr. K. Srinivasa Rao, Placement Officer expressed their happiness over the achievement of the students.

Hudhud Relief Fund

The students and the staff of AITS extended their helping hand by organizing a fund raising campaign and donated Rs. 3,12,542/- to the victims of Hudhud Cyclone which wreaked a havoc in the city of Vishakapatnam. The cyclone devastated the normal life in the city, unleashing widespread destruction and brought the bustling city of nearly 20 lakh people to a sudden halt. The staff gave away one day salary towards the relief fund. The fund was handed over to Mr. Velkurin Prabhakar Pillai, RDO of Rajampet, on 10th January 2015 by the Founder, Sri C. Gangi Reddy, who appreciated this noble gesture from AITS community.

OUR VISION
We impart futuristic technical education and instill high patterns of discipline through our dedicated staff who set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.

OUR MISSION
Our mission is to educate students from the local and rural areas, and from other states so that they become enlightened individuals, improving the living standards of their families, industry and society. We provide individual attention, world-class quality of Technical education and take care of character building.
