Annamacharya Talent Meet-17

Proceedings are being released by the dignitaries

A Three-day Technical Fest “Annamacharya Talent Meet-2017” was organized by all departments starting from 18th March, 2017. Dr. A. Ananda Rao, Director of Academics JNTUA, Ananthapuramu delivered the inaugural address on the first day. He said that students should work hard in order to be competitive in the current cut-throat competition. He advised the young minds to follow the path shown by P.M Narendra Modi to make India Digital. Dr. G. Prabhakar Rao, Director AITS said, “Technical Fests like these should be utilized by students to get familiarized with the modern concepts in the field of engineering. Dr. S.M.V Narayana, Principal, AITS urged the students to know the importance of their field to have successful career. C. Yella Reddy, vice-chairman AET, Prof. M. Subba Rao, Convener of ATM also spoke.

EDITORIAL BOARD

Patron: **Sri C. Gangi Reddy**, Founder, AET

Co-patron: **Sri C. Abhishek**, Treasurer, AET

Chairman: **Dr. S. M. V. Narayana**, Principal, AITS

Students selected for Stanford University Fellowship

Sri Nara Chandrababu Naidu with students selected for Fellowship

M. V. Sai Chandana(CSE), K. Manasa (CSE), M. Asmitha(ECE), and K. Sunanda(ECE) studying III B. Tech were selected for Stanford University Innovation Fellowship.

In an event held on 27th April 2017 in Amaravathi, Chief Minister Sri Nara Chandrababu Naidu interacted with the students who secured Stanford University fellowship. Mr. Kollu Ravindra, Minister for Law and Justice, Skill development and Youth sports had given away the certificates of appreciation to the students. Selected students will visit Stanford University for Meetup in the month of November.

“Despite the stiff competition from 400 colleges, our students managed to secure this achievement,” said Sri Choppa Gangi Reddy, the Founder of AITS.

“Out of the students from 400 engineering colleges across India, 224 students were finally selected and 4 of them were from AITS, Rajampet,” said Dr. S. M. V. Narayana, Principal. Dr. A. Subramanyam, coordinator of APSSDC, congratulated the students. Dr. G. Prabhakara Rao, Director; Mr. C. Abhishek, Executive Director, congratulated the students on their success.

Kerantha, National Level Cultural Fest

Sri Rajeev Kanakala, famous movie artist, being felicitated

National Level Cultural Fest, KERINTHA 2k17 was held on the campus for three days from 5th January 2017 to 7th January 2017. The event was hosted to draw out and encourage student talent in fine arts.

Mr. Rajiv Kanakala, famous telugu movie artist, was the chief guest on the inaugural day of the event. 'Hard work paves way to success in any field,' said Mr. Rajiv in his address.

Sri. C. Gangi Reddy, the founder of AITS, urged students to consider greats such as Abdul Kalam, Vivekananda and Satya Nadella as their role models, to be successful in their life. He assured the students that, 'management takes all the necessary resources help students excel in life and asked students to avail the opportunities provided to the full extent.'

Every student is to be strongly determined and focused towards their goals to reach great heights, and events of this sort enable students realize this, said, Dr. S. M. V. Narayana, Principal, AITS.

The event was full of glamour and pomp, as celebrities like Mr. Trinath, Manasu Mamatha serial fame Mr. Abhiram, from silver and small screens visited and enthralled the students of AITS with their performances. Various amusement stalls were installed by students on the campus. Competitions such as *Anthyakshari*, *Rangoli*, Painting & Dance were held as part of the fest.

Dr. G. Prabhakar Rao, Director of the Institute; Prof. M. Subbarao, Convener, KERINTHA- 2k17; Sri Yella Reddy, Vice-Chairman of AET and HODs of all the Departments looked after the conduct of the mega event.

10 Lakh Donation to TTD

Sri C. Gangi Reddy, The Founder of Aits, Donated an Amount of Ten Lakhs to Tirumal Tirupati Annadhana Trust on 30th May, 2017. Mr. Sreenivasa Rao, JEO, TTD received the cheque from Mr & Mrs. Choppa Gangi Reddy and Mr & Mrs. Choppa Abhishek.

Cultural Day Celebrations

Sri Medasani Mohan speaking on the occasion

Cultural Day was grandly celebrated on 28th March 2017, on the campus. Avadhana Saamrat Sri Medasani Mohan, S. Tulasi Reddy, Tammareddy Nirmalamma and A. Amarnath Reddy were invited as chief guests. Addressing the students on the occasion, S. Tulasi Reddy said that the time of student life is heavenly and every student should utilize it well completely. Avadhana Saamrat Medasani Mohan said that he felt so happy to celebrate cultural fest in a technical institution. Sri C. Gangi Reddy, the Founder of AITS, said that Cultural Day is a reminiscence of how our Indian culture and tradition influence our lives. Dr. G. Prabhakar Rao, Director; Dr. S.M.V. Narayana, Principal; Heads of the Departments, Faculty, Non-teaching Staff and students appeared in traditional attire.

An Awareness Programme on Skill Development

Dr. G. Subba Rao, addressing the faculty

An Awareness Programme on “Skill Development Technologies” was organized on 9th February 2017, by APSSDC of AITS. Dr. Ganta Subba Rao, CEO & Govt. Special Secretary, APSSDC was invited as special guest for this programme. Speaking on this occasion Dr. Ganta Subba Rao emphasized the importance of cashless transactions and also he motivated the students to gain knowledge of latest technologies and to share the same with the common people who are unaware of cashless transactions. In this programme, he explained various types of payments such as digital payments, Bheem App, and Buddy App. Vice-Chairman C. Yella Reddy Garu, Treasurer C. Abhishek Reddy Garu, Director G. Prabhakar Rao Garu, Principal Dr. S.M.V. Narayana Garu, Faculty Members and other staff members were part of the programme.

A National Seminar on Nano grid for future Power Systems

Dr. Shiva Kumar from IIT Hyderabad addressing the participants

A Two-day National seminar on “Nanogrids for future power systems” was organized by Department of EEE on 27th and 28th February 2017. On 27th, Prof. M. Kalavathi from JNTUH, graced as a resource person explained various topics on Hydal, Solar, Biomass, Tidal and Geo Thermal Power Generation. Prof. V. Ganesh, JNTUCEP, Pulivendula, demonstrated the implementation of Microgrid, Nanogrid, Operation Modes, Environmental Optics. On 28th February, Dr. Shiva Kumar, Associate Professor, IIT Hyderabad threw light upon Solar Power Converts, M.P.P.T Techniques, Multi-level Inverters. The participants, research scholars, and students visited the Solar Power Plant in the campus. Dr. G. Prabhakar Rao, Director; Prof. S. M. V. Narayana, Principal; Prof. M. Padmalalitha, Head of Dept. of EEE; faculty members and students attended the seminar. Dr. P. B. Chennaiah, Associate Professor, Dept. of EEE acted as Organizing Secretary.

MoU with Central Institute of Plastic Engineering and Technology

The first agreement of Central Institute of Plastic Engineering and Technology (CIPET) in Andhra Pradesh has been made with Annamacharya Institute of Technology and Sciences, Rajampet. Directors of CIPET K. Palanivel Raja and S. Laxmanan exchanged it with Vice-Chairman of AET C. Yella Reddy, Director G. Prabhakar Rao, Principal Dr. S. M. V. Narayana and Prof. S. Venkatachalapathi. With this agreement, Director of CIPET stated that, the students of the institute will get multiple job opportunities and faculty members can improve their skills and research ability.

A National Workshop on Research Methodology and SPSS

Dr. K. Siva Reddy, addressing the participants

A Two-Day National Workshop on ‘Research Methodology and Application of S.P.S.S on Data Analysis’ was conducted by the Department of MBA on 24th and 25th of March 2017. Dr. K. Siva Reddy, Gokhale Institute of Politics & Economics, Pune and Dr. M. Syam Babu I.B.S. Hyderabad were invited as Chief Guests. Dr. K. Siva Reddy and Dr. M. Syam Babu explained the importance of S.P.S.S and its uses in research to the young aspirants. Research Scholars said that it was a good experience to participate in the workshop. Dr. G. Prabhakar Rao, Director; Dr. S.M.V. Narayana, Principal; Dr. P. Subramanyam, Head Dept. of MBA, Faculty and Research Scholars participated in the workshop.

Ideology Run

Dr. S. M. V. Narayana, inaugurating the Ideology Run

An ideology run was held on the premises on the 125th birth anniversary of Dr. B. R. Ambedkar on 12 April 2017. Mr. V. V. Subbarayudu, from STEP Kadapa, helped in the conduct of the and said that conduct of this event was made mandatory at colleges by the Government in order to imbibe and emulate the path shown by Dr. Ambedkar. Dr. S. M. V. Narayana, Principal; Dr. A. Subramanyam, Dean, Administration and Heads of all departments, faculty and students took part in the rally. An essay writing competition was held on the topic “Dr. B. R. Ambedkar as the founding father of modern India” and prizes were given away at STEP Office, Kadapa

Awareness Programmes on Web Counselling

Mr. Choppa Abhishek, Executive Director, addressing the students

Awareness programmes on “Web counselling in Engineering and Pharmacy” were arranged by Annamacharya Educational Trust at Masineni Grand Hotel, Ananthapur and A.P Tourism Hotel, Kurnool. Dr. Chenna Reddy, Director Academics JNTUA and Dr. Kesava Chandra, Principal, Government Polytechnic, Kalyanadurgam were invited as the chief guests for the event. Dr. Chenna Reddy asked the parents to take proper care while choosing the right college for their children education based on the infrastructural facilities, placements and teaching. Dr. Kesava Chandra advised the students to focus on improving communications skills to lead a successful life. C. Yella Reddy, vice-chairman AET expressed his happiness conducting awareness programmes like these to educate parents and students. C. Abhishek Reddy, Executive Director; Dr. A. Subramanyam, Dean, Administration, also interacted with parents and students.

A Guest Lecture on Interdisciplinary Cyber Physical Systems

Dr. K. R. Murali Mohan, addressing the teachers

A Guest Lecture on “Research in Inter Disciplinary Cyber Physical Systems” organized on 12th June 2017 for the benefit of faculty on the campus. Dr. K.R. Murali Mohan, Head IDSPS, Dept. of Science and Technology was invited as chief guest. He spoke on the importance of research in India. Research on “Inter Disciplinary Cyber Physical Systems” was begun in 104th Science Congress Meeting in Tirupati. He emphasized on development of underground water resources in Rayalaseema. He advised students to do research on new methods of conserving underground water to face water scarcity problem in Rayalaseema Districts. Dr. G. Prabhakar Rao, Director; Dr. S.M.V. Narayana, Principal; Dr. A. Subramanyam, Dean of Administration; Heads of the Departments were present.

A Guest Lecture on Network Security and Cryptography

A Guest Lecture on Network Security and Cryptography was conducted on 17th March, 2017 by Department of Information and Technology. Prof. R.S.K. Saravanguru, VIT University, Vellore educated students on how to save data on Internet safe, guard data from hackers and malicious websites. He also rendered help in saving personal details from third party promoters while using internet. Dr. K. Prasanna Kumar, Head, Dept. of IT, Prof. M. Subba Rao, faculty and students were present on this event.

A Guest Lecture on Internet of Things

Dr. K. Solman Raju, CSIR-CEERI, delivering his lecture

An Awareness Programme on “Internet of Things” was conducted on 17th March, 2017 at AITS Rajampet by Dr. A. Subramanyam, Dean Engineering. Dr. Kota Solman Raju, Principle scientist and Project Leader, CSIR-CEERI, Pilani, Rajasthan sensitized the students on the importance of Internet of Things in the present competitive world. He explained in detail how IOT has been used in various sectors like Hospitality and Agriculture. Dr. A. Subramanyam, Dean of Administration, asked students to update their knowledge in upcoming technical aspects to be successful in career. Dr. M. Rudra Kumar, HOD CSE, Dr. G. Prabhakar Rao, Director AITS, Dr. S.M.V Narayana, Principal, AITS, also spoke on the occasion.

A Guest Lecture on Water Resources

An Guest Lecture on “Water Resources Development” was hosted at the Department of Civil Engineering on 27th March 2017, for the benefit of students. Dr. Venkata Rama Mohan, Director of Water and Livelihood Foundation, Hyderabad delivered his lecture on how to conserve water and utilize it in an appropriate way. Dr. S.M.V. Narayana, Principal; Dr. Y. Sriramulu Head, Dept. of Civil and Civil Engineering shared the dais.

SIEMENS Computer-based Training Center launched

Dr. K. Lakshmi Narayana, IAS, inaugurating computer center

Dr. K. Lakshmi Narayana, IAS, Founder & Director, AP state skill Development Corporation, soft launched Computer Based Training Center as part of SIEMENS on the campus on 11th January, 2017.

Later in his address to the faculty members, Dr. Lakshmi Narayana, said “there have been a lot of revolutionary changes taken place in 21st century education. Teachers and students are to cope up with the changes by updating themselves at regular intervals.” The development of any country starts in a class room, hence the role of teacher is greater in ensuring that the things are delivered to aid, nation grow, he added.

“Teacher is influential in transforming a sect, country, and world to transform it to be a better place through their teaching, this noble duty can be discharged more efficiently if teachers get their skill sets updated time to time” opined Dr. S. M. V. Narayana, Principal; Sri. C. Yella Reedy, Vice-Chairman; Dr. G. Prabhakar Rao, Director; Dr. A. Subramanyam, Coordinator of APSSDC on the campus, Heads of all the departments, staff were present during the program.

International Women’s Day

Dignitaries lighting the lamp

International Women’s Day was celebrated on 8th March, 2017 at AITS Rajampet. Smt. Indumati, Vijay Foundation Trust and Smt. P. Kusuma Kumari, President, Surpunch Union Kadapa, were the chief guests, inaugurated the event by lighting the lamp. Smt. Indumati said that every woman should utilize the opportunities that she has and help for the development of women in the society. Kusuma Kumari expressed that women development in the society is taking place slowly and urged women to be patient. Dr. M. Padma Lalitha, Head, EEE, expressed her happiness that present day woman is succeeding in every field and should not take back step. Smt C. Deepti, Member of AET, said that woman should give equal importance to family and career to have right development.

C. Reddy Surendra and C. Vishnuvardhan Raju, III ME, bagged second prize for their paper titled “Hybrid breaking system” presented at “M EXPLORE 2K17”, a national level seminar held at S. V. College of Engineering, Tirupati, on 1 April 2017.

A Guest Lecture on New Product Design and Development Techniques

Mr. S. N. Rakesh & Mr. S. Laxman, CIPET, Chennai, receiving a memento from Prof. Venkata Chalapathi

A Guest Lecture on “New Product design and Development techniques’ was arranged for Students of Mechanical Engineering on the campus on 24th January 2017. Mr. S. N. Rakesh & Mr. S. Laxman, Institute of Plastic and Technology, Hyderabad were the resource persons of the program. Product design and development depends a lot on innovation, said the resource persons. They outlined and briefed various levels in development of a product using machines, tools and needed technology. Students interacted lively with the resource persons at the end of the lecture to clarify their doubts. Dr. S. M. V. Narayana, Principal; Dr. N. Venkata Chalapathi, Head, Dept. of Mechanical Engineering shared the dais.

A Two-day Workshop on Advanced Machining Process

Sri Guru Swamy, Criatic Services, addressing the participants

A Two Day Workshop on “Innovation for Advance Machining Process using Edgcam and CNC” was organized by Dept. of Mechanical Engineering on 17th & 18th February 2017. Sri Guru Swamy and Sri Vignesh Raj, representatives of Criatic Services, Chennai were invited as Chief Guests for this workshop. Sri Guru Swamy, from Creatic Services, stated that the students would be able to learn Milling Positioning, Central Edgcam Methods, Milling Cycles and live job reports by using Edgcam Software. Dr. G. Prabhakara Rao, Director, appreciated the students for showing interest on latest technologies. Dr. S. M. V. Narayana, Principal, advised the students to apply their skills and knowledge.

A Guest Lecture on Microprocessors and Interfacing

Department of ECE organized a Guest Lecture on 27th February on “Microprocessors and Interfacing”. Prof. M. N. Giri Prasad JNTU Anantapuram, was invited as Resource Person. In his lecture Dr. M. N. Giri Prasad discussed Microprocessors 8086 and their usage. Later he explained about 8257, 8259 and 8253 Integrated Circuits and their importance. He also mentioned about the opportunities in Robotic Companies. Dr. C. H. Nagaraju, Head, Dept. of ECE, Sri B. Abdul Rahim, Senior Professor, faculty members, and students attended the guest lecture.

An ‘Outreach Programme’ was organized by students of EEE to bring awareness on Electricity and Water Saving. A total number of 50 students took part and visited 400 houses, in New Boyanapalli to bring awareness among the residents. Students explained those easy ways to conserve water and save electricity.

A Guest Lecture on Renewable Energy Sources

Prof. P. Sujatha, JNTUCEA, delivering her lecture

A Guest Lecture on “Renewable Energy Sources” was organized by the Dept. of EEE, on 18th February 2017. Dr. P. Sujatha, Professor, JNTUCEA, Anantapuram acted as Research Person. Addressing the final year students of EEE, Prof. Sujatha explained the major renewable sources such as Solar Power, and Wind Power. Lack of Water and Coal energy sources, raised the demand for Solar and Wind sources. Prof. Sujatha also discussed Solar power, Wind power, Solar Converter, Wind Converter their application and usage in her lecture. She also motivated the students to do research on various fields to serve the country for its development. Dr. M. Padmalalitha, Professor, Head of Dept. of EEE, felicitated the resource person.

A Guest Lecture on On board Detection system and Smart city

Mr. Bhudev Chakravarthy, Thought Works, delivering lecture

A Guest Lecture On board Detection system and Smart city was arranged on 2nd March, 2017 by IEEE Student Chapter. Dr. Madhumita Chakravarthy, Chief scientist, DRDO explained the importance of “On board detection system” in the field to CSE and ECE. Mr. Bhudev Chakravarthy, Principal, Thought works, gave an interesting lecture on “Smart City” and stressed its importance in the technological world.

A Guest Lecture on Design for Testability

Mr. Y. Avinash, Saint Ltd, delivering his lecture

Mr. Y. Avinash, Project manager, Saint Ltd, delivered a guest lecture on “Design for Testability” to third year and final year ECE students on 16th March, 2017 organized by Industry Institute Interaction Cell. Mr. Y. Avinash, stressed the importance of design for testability in VLNI Circuits and every student should have knowledge on circuits for procuring good jobs in industry. Dr. C. H. Nagaraju, HOD ECE, Prof. B. Abdul Raheem, A. Hemanth Kumar, in-charge IIIC were present.

A Two-day workshop on ‘Industrial Automation System -2k17’

A Two-day workshop on ‘Industrial Automation System - 2k17’ was organized on the campus by the department of Electronics and Communications Engineering on 2nd and 3rd January, 2017. Mr.B.Senthil Kumar, Technical Head, S S K Delta Design Engineering Pvt.Ltd, Chennai; Mr.R.Bhavani Singh, Senior System Engineer, S S K Delta Design Engineering Pvt.Ltd, Chennai, were the resource persons of the workshop. “Automation has become vital component in all the engineering disciplines, and students with automation knowledge are sure to excel on their job front”, opined, the resource persons. Dr. G. Prabhakara Rao, Director of the Institute, during his address said, ‘students can become industry ready by taking part in these sorts of workshops, besides these programs elicit leadership skills in students’ added Dr. Rao. Dr. Abdul Rahim, Coordinator, Professional Bodies, stated in his address, ‘students learn the importance of creativity and innovation by taking part in this type of workshops. Dr. C.H. Nagaraju, Head, ECE, said, more than hundred students from all over the state took part in the workshop, and he added, the department, took pride in hosting workshops of this kind, as they help students in various ways.

An Awareness Program on Road Safety

Mr. A. Rajendra, DSP, Rajampet, addressing the students

A Road Safety awareness program was arranged, marking “28th National Road Safety Week 2017” on 20th January 2017 on the campus. Mr. A. Rajendra, DSP, Rajampet; Mr. Ashok Kumar, CI, Rajampet Urban; Mr. N. Raja Babu, Motor Vehicle Inspector, Rajampet, were the chief guests of the program. Mr. A. Rajendra, DSP, Rajampet, in his address, cautioned the motorcyclists in the audience, possession of driving license, R C, Insurance Certificates, and wearing helmets are must. Government is formulating rules to be followed by the public for their safety, henceforth all must follow the rules imposed by concerned authorities without any prejudice, he added.

‘Vehicle Condition, Climatic conditions, Condition of the Roads and Driver’s physical and mental condition’ are the main reasons for accidents to take place’ briefed Mr.Raja Babu, during the program. He also cautioned ‘the bikers to wear helmet and alerted students ‘drunk and drive is a serious offense, hence resorting to such methods are punishable’. ‘Drivers of two wheelers must be vigilant over the speed and surroundings as they drive’ said, Mr.Ashok, CI, Rajampet Urban.

A Guest Lecture on Applications of Chemistry in Engineering

A Guest Lecture on ‘Applications of Chemistry in Engineering’ was organized on the campus to the students of I B.Tech by the Department of Humanities and Sciences, on 28th January 2017. Prof. Prof. G. V. Subba Reddy, Vice-principal, JNTUCEP, was invited as the resource person. The applications of Chemistry in engineering were explained with examples by the resource person. Dr.B.Bala Nagendra Prasad, Head,Dept. of HS; Dr. SMV Narayana, Principal; Dr. G.Prabhakara Rao, Director; Sri C. Yella Reddy, Vice- Chairman, felicitated the resource person.

Students placed in CYIENT

Students selected for CYIENT

CYIENT Hyderabad conducted a recruitment drive for final year EEE, ECE & IT students on 14th March, 2017. Mr. Nishant and Mr. Azash, HR Managers from CYIENT conducted written test and interviews for and selected seven students for the appointment in the company. Dr. G. Prabhakar Rao, Director AITS congratulated the selected students and said campus recruitments are mark of student's strength and asked the students to work hard to get selected. Mr. C. Abhishek Reddy, Executive Director, Dr. S.M.V Narayana, Principal; congratulated the selected students.

Recruitment Drive by Maintec

Mr. Ramachandran, Vice President, Maintec, during preplacement talk

Maintec, Chennai conducted a recruitment drive for final year B.Tech and MCA students on 19th March, 2017 at AITS Rajampet. Mr. Ramachandran, Vice-President Maintec and HR, and Mr. Sukrutha, HR Manager conducted the written test and interview for the students and finally selected 64 for the appointment. Dr. S.M.V Narayana, Principal, AITS congratulated the selected students for their achievement and asked students to have work hard to achieve success in life.

Recruitment by RAMTeCH

Sri Venkata Ramana, HR from RAMTeCH interacting with students

A Campus Recruitment Drive was conducted by RAMTeCH Hyderabad on 27th March 2017 for the final year Civil and Mechanical students. A total number of 55 students were recruited by the company. Sri C.Gangi Reddy, the founder; Dr. C. Ramachandra Reddy, Chairman; Sri C. Yella Reddy, Vice-chairman; Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; and Sri K. Srinivasa Rao, Placement Officer congratulated the selected students.

Recruitment Drive by HCL

Students participating in Group Discussion

A campus drive by HCL, Bangalore was held on the premises for the final year engineering students on 21 April 2017. A written test was conducted and out of which 24 students qualified for the final round. A test on communication skills was conducted and 15 students secured the jobs. Sri C.Gangi Reddy, the founder; Dr. C. Ramachandra Reddy, Chairman; Sri C. Yella Reddy, Vice-chairman; Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; and Sri K. Srinivasa Rao, Placement Officer congratulated the selected students.

Clean Max Solar Campus Drive

Students appearing for online exam

A Campus drive was held on the campus for the students of IV B.Tech, on 9th January, 2017. 'Clean Max Solar', Chennai in alliance with 'Co Cubes', India's largest assessment and hiring platform, conducted the online interviews. Students the online test. A whopping total of 450 students took part from all the colleges in Rayalaseema, and the qualified students in this online exam are to undergo HR Round in the Head office, Chennai, said, Mr. Ganesh, Representative, Co Cubes. Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Pricipal; Mr. K. Srinivasa Rao, Placement Officer congratulated the selected students.

Sonata On-campus recruitment

Students during online examination

An On-campus recruitment drive by Sonata Software Ltd. was hosted on the campus on 23rd January 2017. Sonata provides services in business intelligence and analytics, application development management, mobility, cloud, social media, testing so on and so forth. As part of this, a total of 254 students appeared for an online exam. The students who qualify in this round would undergo HR Round at Annamacharya Institute of Technology and Sciences, Tirupathi, said Mr. Sivaji Biswas, from Sonata.

ACHERON Recruitment

Students listening to Pre-placement talk

Acheron Software Company pvt. Ltd, Coimbatore visited the college to conduct campus recruitment for final B. Tech. students. 111 students qualified and promoted to the second round on programming. The representatives of the company, Sri Praveen Kumar and Sri Vignesh Nivas conducted the tests. Dr. S. M. V. Narayana stated that, determination can lead a man to success and he asked the students to utilize the opportunities provided by college. Dr. G. Prabhakara Rao, Director; K. Sreenivasa Rao, Placement Officer; congratulated the selected students.

Recruitment Drive by VISTEX

VISTEX Software Ltd. conducted campus recruitment for the final year engineering students. The company representatives said that the written test is conducted as the first round of recruitment process, and selected students will have interviews at Hyderabad. Sri C.Gangi Reddy, the founder; Dr. C. Ramachandra Reddy, Chairman; Sri C. Yella Reddy, Vice-chairman; Dr. G. Prabhakara Rao, Director; Dr. S. M. V. Narayana, Principal; and Sri K. Srinivasa Rao, Placement Officer congratulated the selected students.

Representative from Vistex during the pre-placement talk

Mr. P. Bala Channaiah, Assistant Professor at Department of Electricals and Electronics Engineering, was conferred on PhD by JNTUA, Ananthapuramu, for his research on “Optimization of Real Power Loss and Voltage Stability Limited Using fire plus and Sim Biotech Organism Search Algorithms”, under the supervision of Prof.M.Surya Kalavathi, JNTUH, Hyderabad.

Mr. K. Prasanna, Assistant Professor at Department of Computer Science and Engineering, was conferred on Ph.D. by JNTUH, Hyderabad, for his research on “Association Rule Mining on Progressive and Hi dimensional Data”, under the supervision of Dr.M.Sita, Professor, G. Narayanamma Institute of Technology and Sciences, Hyderabad.

Mr. P. Chandra Reddy, Assistant Professor of Mathematics, Dept. of Humanities and Sciences, was awarded Doctorate by JNTUA Ananthapuramu, for his research titled Unsteady Convective Flow of a Double Diffusive Fluid in Conducting Field” under the supervision of Dr. M. C. Raju, AITS, and Dr. G. S. S. Raju, JNTUCE Pulivendula.

Mr. Sheelam Harinath Babu, Assistant Professor of Physics, Dept. of Humanities and Sciences, Rajampet was awarded Doctorate by Vellore University for the thesis titled “Investigation for Room Temperature Ferro Magnetism in Pure & Transition Metal Doped Indium-tin-oxide Nano particles”.

Prof. B. Abdul Raheem, Dept. of ECE, was conferred on Ph. D. from JNTUA University on 20 April, 2017 for his research on “ Adaptive dynamic genetic algorithm for node scheduling in time triggered systems” under the supervision of Dr . Soundar Rajan, Former Rector , JNTUA , Ananthapuram.

A Guest Lecture on Applications of Mathematics

A Guest Lecture on ‘Applications of Mathematics in Engineering’ was organized on the campus to the students of I B.Tech by the department of Humanities and Sciences, on 21st January 2017. Prof. G. R. K. Acharya, Department of Mathematics, NIT, Warangal was the resource person of the guest lecture. The role of Mathematics in the engineering disciplines was briefed by Dr. Acharya. The Resource person illustrated how Mathematics is, language of nature, queen of sciences, heart and soul of technology with various examples. Dr. B. Bala Nagendra Prasad, Head, Humanities and Sciences, spoke on the relevance and importance of the topic. Dr. SMV Narayana, Principal; Dr. G.Prabhakara Rao, Director; Sri C. Yella Reddy, Vice-Chairman, felicitated the resource person.

Dr. N. Venkata chalapati HOD ME, acted as “Session Chairman” at International conference on “Emerging Trend in Materials and Manufacturing” MIIE-2017 held at NIT Trichy. Dr. N. Venkata Chalapati received a memento and certificate for acting as Session Chairman for topic “Metal Joining” from Dr. K.Venkateshwarlu, Principal Scientist, Aero-Space Laboratories.

Recruitment Drive by Arrow Knowledge

Interview in progress

Arrow Knowledge Services pvt. Ltd. conducted placement drive on the premises on 3rd May 2017. Students of Annamacharya Group of Institutions appeared for the drive. As a part of this an online exam was conducted and 117 students qualified for the second round. In the final round, 55 students secured the jobs.

Winner of Elocution Competition (National Youth Fest)

Y. Siva, C. Shashidhar Reddy, B. Ranjit of Final ME, won First Prize in MEXODIA, Project Exhibition, held at NBKRIST

S. Aisha of MCA won first prize in Virinchi-2K17 organized at Sri Padmavathi Mahila University, Tirupati

Techno quiz 2017 was organized by IE(I) Student Chapter on 4th April 2017, in association with Dept. of Mech. Engg.

B. Likhitha and J. Chandrakala of III EEE bagged first prize in Paper presentation on 'Smart Grid' in 'SPARKS2017' held at Sri Venkateswara University College.

T. Jayasri, S.Rizwana and B. Santhosh Jain of III EEE won the first prize; M. Manoj Kumar Reddy, Y.N.V. Sai Kumar of II EEE and J. Jagadish of II EEE bagged Second Prize in National Level Quiz 'Enfeu-2K17' held at KSRM College of Engineering, Kadapa.
