

# ANNAMACHARYA INSTITUTE OF TECHNOLOGY AND SCIENCES:: RAJAMPET

(Autonomous)

Annamacharya Institute of Technology & Sciences received AICTE sponsored SPICES Grant F.No. 10138/AICTE/IDC/SPICES/2020-21 on 16.06.2021. The coordinator of this SPICES grant is Dr.Prasad Kasigari, Associate Professor, Department of ECE, AITS Rajampet. In connection to this SPICES scheme, AITS has established a club in the name AITS STUDENT WELFARE CLUB. Under this AICTE sponsored SPICES grant AITS institute has also established two more additional clubs named

1. Creative Club
2. Radio Club

## **Under SPICES- AITS STUDENT WELFARE CLUB – RADIO CLUB**

A **Radio Club** is established with the students of the institute and conducted many events that encouraged students to participate in Public Speaking, Script Writing, Radio Jockey activities, Announcing in Radio Activity, talks, Discussions and Interviews.

In order to motivate and inspire students towards over all development AITS has established a Radio Station with transmitters, Recording room, Editing room, Live programming room.

In this Radio Club, Students will develop script on contemporary issues, current affairs, and social useful topics. Students will develop radio talks in the recording studio and edit them in the post recording room. The entire Radio club activities are continuous activities and will be performed every day with the students and the club members every day.

In order to meet these objectives, AITS STUDENT WELFARE CLUB – RADIO CLUB has conducted several activities and they are listed as follows.

SNO	Activity/Event
1	Awareness program on script writing
2	Conducted interviews to students for Radio Jockey, Announcers and Program Managers
3	Training on radio Broadcasting activities by experts
