

**ANNAMACHARYA INSTITUTE OF TECHNOLOGY AND SCIENCES
(AUTONOMOUS) NEW BOYINAPALLI, RAJAMPET -516126.**

IIC REPORT-2021-2022

ABOUT INNOVATION AND INCUBATION CENTER

Innovation and Incubation Centre of Annamacharya Institute of Technology And Sciences (Autonomous), Rajampet-516126 wishes to facilitate the creation of ideas and inventions that benefit the society. The goal of Innovation and Incubation Centre (IIC) is to promote and support technology based innovative spirit among the graduated and graduating students of AITS-Rajampet. IIC- will leverage from past experiences and give entrepreneurship a stronger push as well as serve to coordinate and promote innovation-driven activities at the institute. IIC- seeks to nurture technology and knowledge based ventures through their start-up phase by providing the necessary support to help entrepreneurs survive in the competitive market and reach a stage where they can scale-up their ventures further. The IIC- aims to build and share resources including space and infrastructure, access to business support services, mentoring, training programmes to enhance the skills of entrepreneurs and seed funds.

IIC of AITS-Rajampet conducts the workshops regularly to motivate and increase the awareness among the students and faculty about the importance of developing innovative technologies and establishing startups for the benefit of society and for their own career development as entrepreneurs. IIC of AITS-Rajampet also conducts the ideas competitions regularly for bringing out the hidden talents of the students for developing the innovative technology based products. The necessary seed funding and mentoring for converting their ideas into working prototypes is done depending on the funds availability. The interested Students can work in the Innovation and Incubation Center where 39 high end computers are provided with high speed internet and CATIA modeling software. Two medium sized robots also provided in the Innovation and Incubation Centre to do the innovative projects related to the robotic technology. IIC of AITS-Rajampet is also planning to establish the Business Incubator using the 7000 Square feet built-up area.

IIC-AITS-RJPT COMMITTEE

S.NO	Name	Designation	Department	Position
1	Dr.SMV.Narayana	Principal	CIVIL	Chairman

8	Dr. D.Krishnam Mohan Raju	Professor	ME	Member secretary

Events conducted for the academic year 2021-2022

Sl. No.	Name of the event	Event title	Total No. of Participants	Event date	Resource Person
1	National Level Webinar	Motivation for Inventions and Funding Opportunities for Inventors	106	24/7/2021	Prof. H. PURUSHOTHAM DPIIT-IPR Chair Andhra University Former Chairman of National Research Development Corporation
2	Webinar to Students and Faculty	Recent Advances in Iron Making Technology	138	29/8/2021	Mr. S. Murali Mohan Babu, Associated Vice President, Sri Kalahasthi Pipes Limited.
3	Webinar to Students	Innovation Techniques	125	12/12/ 2021	Dr. D. Krishna Mohan Raju, Professor, Department of ME, AITS, Rajampet.
4	National Level Webinar	Need for Establishing Innovation and Incubation Centers in Higher Education Institutions	75	08/3/2022	Prof. K. Nagabhusan Raju Director, Center for Skill Development, Entrepreneurship & Incubation
5	National Level Webinar	Innovation & Startup Eco-system	110	11/3/2022	Dr. C. Chandra Mouli Technical Executive, Atal Incubation Center, Sri Krishnadevaraya University

6	Impact Lectures (Online Webinar at National Level)	Innovation in Engineering & Technology	104	9/6/2022	Dr.G.Jaya Chandra Reddy, Professor & Head of Mechanical Engineering Department, Yogi Vemana University College of Engineering, Proddatur, YSR Kadapa District, A.P.State.
7	Impact Lectures (Online Webinar at National Level)	Technocrats Entrepreneurial Activity and Economic Development	104	19/6/ 2022	Mr.Regalla Ravinkanth, PCG Head, Hyderabad.

REPORT ON WEBINARS

1. A webinar on Motivation for Inventions and Funding opportunities for Inventors was conducted by Innovation and incubation center on 24/07/2021. A total of 106 participants have participated from III & IV B.Tech students. Resource person Prof.H.Purushotham, DPIIT-IPR Chair, Andhra University, Former Chairman of National Research Development Corporation, presented Motivation for Inventions and Funding opportunities for Inventors. Dr.K.Krishnamohan Raju, coordinator Innovation and incubation center and Dr.P.Balachennaiah co-cordinator innovation and incubation center attended the inauguration of the event. From this workshop students acquired the knowledge related to how to invent, various funding opportunities to develop prototypes, various funding opportunities to start and run the startups from the govt. agencies and private agencies.

2. A webinar on Recent Advances in Iron Making Technology was conducted by Innovation and incubation center on 29/08/2021. A total of 138 participants have participated from III & IV B.Tech students. Resource person Mr.S.Murali Mohan Babu, Associated Vice President, Sri Kalahasthi Pipes Ltd., Kalahasthi, Chittoor District, A.P., presented Recent Advances in Iron Making Technology. Dr.K.Krishnamohan Raju, coordinator Innovation and incubation center and Dr.P.Balachennaiah co-cordinator innovation and incubation center attended the inauguration of

the event. From this workshop students acquired the knowledge related to the technical advances in iron making industry and business opportunities in iron making industry.

3. A webinar on Innovation techniques was conducted by Innovation and incubation center on 12/12/2021. A total of 125 participants have participated from III & IV B.Tech students. Resource person Dr. D. Krishna Mohan Raju, Professor, AITS (Autonomous), Rajampet, presented Innovation techniques. Dr.K.Krishnamohan Raju, coordinator Innovation and incubation center and Dr.P.Balachennaiah co-cordinator innovation and incubation center attended the inauguration of the event. From this workshop students acquired the knowledge related to innovative techniques.

4. A webinar on Need for Establishing Innovation and Incubation Centers in Higher Education Institutions was conducted by Innovation and incubation center on 08/03/2022. A total of 75 participants have participated from III & IV B.Tech students. Resource person Prof. K. Nagabhushan Raju Director, Center for Skill Development, Entrepreneurship & Incubation, highlighted need for establishing Innovation and Incubation Centers in Higher Education Institutions.

5. A webinar on Innovation & Startup Eco-system was conducted by Innovation and incubation center on 11/3/2022. A total of 110 participants have participated from III & IV B.Tech students. Resource person Dr. C. Chandra Mouli Technical Executive, Atal Incubation Center, Sri Krishnadevaraya University, presented How to plan for Start-up and legal & Ethical Steps. Dr.K.Krishnamohan Raju, coordinator Innovation and incubation center and Dr.P.Balachennaiah co-cordinator innovation and incubation center attended the inauguration of the event. From this workshop students acquired the knowledge related to the procedures involved in establishing startups like procedures involved in the registration of a public limited company and its related activities like procuring TAN no., DIN no. Pan card, current account opening in bank etc., similarly the procedures, eligibility to register startup and importance of marketing, quality and ISO registration etc., for running the startup.

6. A webinar on Innovation in Engineering & Technology was conducted by Innovation and incubation center on 09/06/2022. A total of 104 participants have participated from III & IV B.Tech students. Resource person Dr.G.Jaya Chandra Reddy, Professor & Head of Mechanical Engineering Department, Yogi Vemana University College of Engineering, Proddatur, YSR Kadapa District, A.P.State., presented Innovation in Engineering & Technology.

Dr.K.Krishnamohan Raju, coordinator Innovation and incubation center and Dr.P.Balachennaiah co-cordinator innovation and incubation center attended the inauguration of the event. From this workshop students acquired the knowledge related to the innovative problem identification for inventing the product, how to find a solution for the innovative problem, fund raising opportunities to develop the working prototype and importance of startups.

7. A webinar on Technocrats Entrepreneurial Activity and Economic Development was conducted by Innovation and incubation center on 19/06/2022. A total of 104 participants have participated from III & IV B.Tech students. Resource person Mr.Regalla Ravinkanth, PCG Head, Hyderabad, presented Technocrats Entrepreneurial Activity and Economic Development. Dr.K.Krishnamohan Raju, coordinator Innovation and incubation center and Dr.P.Balachennaiah co-cordinator innovation and incubation center attended the inauguration of the event. From this workshop students acquired the knowledge related to the entrepreneurial activities.
