**DEPARTMENT OF CIVIL ENGINEERING**

**REPORT ON INAUGURATION CEREMONY OF IEI-AITS, Rajampet CIVIL  
ENGINEERING STUDENT CHAPTER**

Annamacharya Institute of Technology & Sciences, Rajampet is an AUTONOMOUS institution and is affiliated to JNTUA, Anantapuramu. The institute was started in the year 1998 under the auspices of Annamacharya Educational Trust in picturesque surrounding on a spacious 30-Acre campus near Tallapaka, the birth place of Annamacharya, the renowned saint poet.

**The Institute is well located on Hyderabad - Chennai Highway.**

Sri. C. Gangi Reddy garu, Hon' Secretary of Annamacharya Educational Trust. He was born in the year 1954 to Choppa Narayana Reddy and Choppa Rajamma, a farmer's family in Siddulapally, very close to Thallapaka the birth place of saint poet Annamacharya. He completed his initial education in Thallapaka and then went to Sri Govindarajaswamy Degree College, Tirupathi where he completed his graduation in B.Com. He got his Post Graduate degree Master of Commerce from Sri Venkateswara University, Tirupati in the year 1977. He completed LLB in 1981 through evening college from Osmania University. He started his official career in the department of agriculture immediately after post-graduation through APPSC Hyderabad but having got selected through APPSC Group-II immediately joined as Sub Register in the registration department of AP Government.

**Strategic Development - Policy Statement**

We are committed to develop and advance the college as an institution of higher learning by offering quality education through excellent infrastructure, quality teaching learning process and congenial ambience. The innate talents of students are nurtured through overall development by providing a number of curricular, co-curricular and extracurricular activities. We are also committed to implement effective and transparent appraisal system.

A good exposure to the students will be offered through enhanced industry- institution interaction, MOUs, expert lecturers, entrepreneurship, research and consultancy.

The institute provides conducive work environment to the faculty and staff by offering best facilities and salaries as per the UGC guidelines for knowledge update, qualification improvement, etc.

**College Vision**

We impart futuristic technical education and instill high patterns of discipline through our dedicated staff who set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.

**College Mission**

Our mission is to educate students from the local and rural areas, and from other states so that they become enlightened individuals, improving the living standards of their families, industry and society. we provide individual attention, world-class quality of technical education and take care of character building.

**ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES:: RAJAMPET**  
**(An Autonomous Institution)**

(Approved by AICTE, New Delhi, Affiliated to JNTUA, Anantapuramu, Accredited by NAAC, IEI & ISO 9001:2015)  
Recognized by UGC, New Delhi under section 2(f) & 12(B)

**DEPARTMENT OF CIVIL ENGINEERING**

**About Department**

The Department of Civil Engineering was established in the year 2012. One of the primary Engineering Departments of the Institute, the department has grown tremendously and is now recognized as one of the major Engineering departments. The Department of Civil Engineering offers B. Tech in Civil Engineering., M. Tech in Structural Engineering degree programmes. The Department has well equipped laboratory and few ongoing research works. It undertakes consultancy work as a part of its interaction with industry/Govt. Authority and also organizing workshops, conferences, Seminars / Symposia for professional interaction. All in all, the department contributes to the overall progress of Civil Engineering activities throughout the country and gives an impetus to the progress of the nation. The department of Civil Engineering with its multifaceted faculty continues to maintain and cultivate its strong links with academic and research institutions in the country. The department is strongly focusing on Teaching, student activities, Research and consultancy works.

**Department Vision**

The Department of Civil engineering strives to help its graduates to become technically sound and ethically strong engineers and to be recognized as one of the best Civil Engineering programs in the country through its pursuit of excellence in teaching, research and service activities, besides imparting basic knowledge.

**Department Mission**

1. To impart training to the students in order to make themselves suitable for the changing technologies in Civil Engineering field.
2. To provide an environment which inspires the students to enhance their analytical thinking and creativity to solve the problems of rural public and problems of the world related to Civil Engineering.
3. To nurture leadership and team work in the students so as to make them good leaders, entrepreneurs and responsible citizens.

**Following activities are carried out in this Students' Chapter.**

- |   |   |
|---|---|
| 1. Guest/expert lectures  | 8. Science Exhibition (Technical Projects in all the Departments)   |
| 2. Workshops for students   | 9. Intra and Inter Department Competitions  |
| 3. Seminars   | 10. Career Counselling and Competitive Examinations   |
| 4. Industrial visits/Technical visits for students  | 11. Soft-skill/leadership programs  |
| 5. Short Term Training Programs   | 12. Programs on Entrepreneurship Development  |
| 6. Social Program   | 13. GATE Mock Test, Aptitude Test, Group Discussion, Technical Test and Mock Personal interviews for students on campus recruitment |
| 7. National Level Technical Symposium and Exposition (Annamacharya Talent Meet, ATM-2022, CGR-Talent Meet-2023) | 14. Student's clubs (Institute Level)   |

Most of these activities involve interaction with industry personnel, notable academicians and alumni.

## DEPARTMENT OF CIVIL ENGINEERING

### About IEI

The Institution of Engineers (India) [IEI] is the largest multi-disciplinary professional body of engineers, established in 1920 with its Headquarters located in Kolkata and incorporated under **Royal Charter** on 9th September, 1935 by the then His Majesty of King George V. The Royal Charter endowed the Institution with the responsibility to promote the general advancement of engineering amongst its members and persons attached to the Institution. After Independence, the Institution is a “Body Corporate” protected under Article 372 of the Constitution of India. The Institution of Engineers (India) is administered by a National Council with the President as its Head.

### Inauguration Ceremony of IEI-AITSRajampet Student Chapter

The Inauguration Ceremony of IEI-AITSRajampet Student Chapter of Civil Engineering Department is started on 25<sup>th</sup> March 2023 at 10.a.m at Gallery of Annamacharya Institute of Technology and Sciences Rajampet with the seeking of blessings of the almighty, with lightening of lamp by the chief guest Er Bramhananda Reddy (FIE) Chairman IEI (INDIA) Kadapa Local Center, Guest of Honour Mr R Narendra Rao (MIE), Honorary Secretary, IEI (India) Kadappa Local Center, Dr. SMV. Narayan, Patron of IEI Student Chapter Principal AITS, Rajampet, Dr. T. Naresh Kumar, President of IEI Student Chapter and HOD, Department Civil Engineering, AITS Rajampet, Institute IEI Co-Ordinator Dr. P. V. Sanjeeva Kumar, Associate Professor of Mechanical Department, Faculty Co-Ordinator Mrs Rashmi K, Assistant Professor and Faculty Advisor Dr. D. Sreenivasulu Associate Professor of Civil Engineering Department shared the dais along with the chief guest of the inaugural function.

Prayer song by students during the inauguration of the IEI-AITSRajampet Student Chapter

**DEPARTMENT OF CIVIL ENGINEERING**

Firstly, Er. Bramhananda Reddy (FIE) Chairman IEI (INDIA) Kadapa Local Center, is delivered the presidential address.

Er. Bramhananda Reddy (FIE) Chairman IEI (INDIA) Kadapa Local Center, started his speech with the introduction of IE(I) and its various programs aimed for the benefit and development of students in their carrier. He also addressed the students regarding the benefits of being a member of student chapter at undergraduate level.

He explained the importance of IEI student chapter to the gathering of the function. He explained the importance of IEI Local Chapter and motivated the students for participating in various technical activity, he also discussed the innovative ideas related to Industrial come true in the form of good projects.

Er. Bramhananda Reddy elaborately discussed the students' chapter benefits its members to access for IE(I) library, IE(I) guest houses all over India, research funding and many more facilities very much essential for civil engineers to update and enhance their knowledge.

Er. Bramhananda Reddy Chairman IE(I) Kadapa Local Center, addressing gathering of the function during Official Inaugural ceremony of IEI-AITSRajampet Student Chapter.
