Any Suggestions

Text books and reference books in the curriculum are not meeting the international standard.
Text books and Reference books in central library are not sufficient. LAB components are not adequate to cater the needs of the students.
Electives offered in relation to the technological advancement are less in number. Need to increase the variety of sports and games for overall development of student. Improvement is required in Placement activities.
Burden of 5 assignments on the students.

Impart special classes / coaching on GATE, CIVIL SERVICES. TOEFEL, GRE and other competitive examinations.
Improve the evaluation scheme designed for each of the course.
Flexible and Choice Based Credit System to learn soft core elective courses, professional elective co and open elective courses are to be offered across various departments.
